I researched this book on the Bealls and Murdock's who connected to my line of Jacobs and Hilleary.

Seems you can just keep going and going so had gone to the end of all those lines that I could. Where Jacobs book were sent earlier before I found out that Ft Wayne library would take them in notebook form. So Jacobs book completed is at Cadiz, Harrison Co. OH on the Davidson line and at the Corydon Public library in Harrison Co. IN (which is my line of Mary Ann Hurn Jacobs McCloud is located.

You will notice the address and e-mail's are different on this book as didn't recopy the material as hadn't done anything on them to change anything so as you can see at the top is my address and e-mail that is correct.

Family Group Record

Husband	William Beall
Wife	Kathrine Smyth
Notes	HUSBAND - William Beall It was stated this William Bell was the son of Alexander and Margaret Ramsey (same name different generation, according to sources.) CHILD 1 - Alexander Beall Most sources list Alexander as father of James. Most sources listed wife as Margaret Ramsey b. 10 May 1624 Scotland. Possibly his father was listed as William Bell in Scotland. Also stated his father was James B. Beall who md Ann Calvert. James father being Alexander Beall who was md to Margaret Ramsey. One internet source listed an Alexander Beall b. 1565 Largo, Fifeshire, Scotland and md Margaret Ramsey 1593 and she was born 1569. (Believe this to be wrong) Will have to do more research to determine which is correct? This Alexander was said to have died 10 Jul 1725 Pr Geo Co. MD. Will of one Alexander Beall, Jr Prince Geo Co. Md dated 16 Jan 1743 - 8 Sep 1744 belive to be this persons son's will. Wife was deceased. Listed son William, son Ninian, son in law John Jackson and children of testator's deceased sons James and John. Brother Robert and wife of Ligan Wilson, negro Ann, her freedom. Test: Meredith Davis (Quaker), Joseph Beall, John Courry Bk 23 pg 543. He listed a brother Robert and also son in law, which would mean he had a daughter md to John Jackson as well. No source listed a son Robert for this Andrew and Margaret, yet if ALEXander Beall Jr who d. 1744 was the son of Alexander Sr. and Margaret Ramsey, in his will he listed his brother Robert. Doesn't say Robert Beall thought and Alexander Jr was md couple times and so could have been step bro as well. Not sure yet... But no one listed Robert as son of Sr. There was a site on the internet that listed "Descendants of Alexander Beall" and had much same info as the book by the same name I found in Salt Lake City written by Richard Dwight Prall pub 1997. Sheri sent this from the internet and here only listed the 4 children. This site listed Alexander, James and Nathaniel who md Ann Murdock This site only carried down James line who md Sarah Pearce, nothing on others. This site from http://freepages/genealogy.rootsweb.com/~mdmalone/Surname%20Ppges/beall.htm. She also located a couple other sites that had a lot of info on 3 generations of Bealls, Alexander, William and Nathaniel who md Ann Murdock in that order. This info stated Nathaniel was son of William, not James as all other sources have listed. All birth dates for him different as well. More complete info here then have seen anywhere but still not convinced we have the right order. http://users.rcn.com/lsimms21/beall0.html and http://www.webdudes.com/sims/beall2/html Were the two sites most info came from on the 3 direct line and listed same children as other sources for each except Nathaniel. 7 pages for one site and 3 for the other. One of the sites believes this line of Bells is where Alexander Graham Bell is descended from, Ninians brothers or uncles who stayed behind in Lower Largo, fife, Scotalnd believe to started shipping his Bell cousins in from there prior to 1700 were his cousins from St Andrew parish descended from his fathers brother William. This Ninian maybe cousin to Alexander Beall d. 1744. Another letter fro mthis site stated from Dennis Bell he has a William Bell b. 1595 Largo parish, Fife, marrying Kathrine Smyth (born 1602) abt 1625 and his databank indicates that Col Ninian Bell/Beall and Alexander Graham Bell share the common ancestry back to Alexander Bell b. 1565 Lower Largo and Margaret Ramsey. Here is stated this William had a son Alexander who also married a woman by name of Margaret Ramsey so is this possible that info had located before is correct? Appears the name started out as Bell in Scotland and was somehow changed to Beall in America.

HUSBAND - Alexander BEALL-491

Most sources list Alexander as father of James. Most sources listed wife as Margaret Ramsey b. 10 May 1624 Scotland.

One internet source listed an Alexander Beall b. 1565 Largo, Fifeshire, Scotland and md Margaret Ramsey 1593 and she was born 1569.

Will have to do more research to determine which is correct?

This Alexander was said to have died 10 Jul 1725 Pr Geo Co. MD.

"The Crabb Family" William Beall son of alexander and Margaret Ramsey Beall b. 1647 d. 1731 md Sarah Stallings, dau of Richard and they had 6 children.

CHILD 2 - Alexander BEALL-983

There are several sources of info on Alexander Beall. Some agree and some dissagree.

It is believed he was bapt 1o Oct 1649 at St Andrews Parish, Fifeshire, Scotland, 2nd son of Alexander and Margaret Ramsey Beall.

There is some sources that have said this Alexander md 1st unkown and 2nd Elizabeth Coombs and those children were listed as Wm 1683, Ninian 1686, James 1690 and Alexander III. These children were listed with 2nd wife so have a lot more research to do here.

MARRIAGE1: Apparently his first wife is not know but it is believed his 5 children were from this marriage.

MARRIAGE2: Has been stated he md Elizabeth Buckerfield after 1690 and maybe hd 2 more children. This also is a

problem as one of the children was said to have been Nathaniel b. 1717 who md Ann Murdock, dau of Rev. Geo Murdock. Whereas several other says that Nathaniel was son of James and Sarah Pearce Beall, James being a brother to this Alexander. "Maryland Calendar of Wills 1738-1743" has abstract of will of Alexander Beall which fits this person. 16 Jan 1743-5 Sep 1744 Prince Geo Co. Doesn't list any for 2nd mg. Some of this book carries down John's line. But didn't copy much of that. Pg 8-29 starts line of Nathaniel Beall 1715-1757 who md Ann Murdock. We have many different dates for birth of that Nathaniel. "The Crabb Family" Vol II by Richard Dwight Prall pub 1997 pg 901-905 Alexander Beall md Margaret Ramsey and listed 3 children Wm, Alexander & James. Alexander md ca 1680 Elizabeth ? and 6 children listed b. ca 1683-1690's all Elizabeths (here) Wm, Ninian, John, James, Ruth and Nathaniel who md Ann Murdock. "Colonial Settlers of Pr Geo Co MD" pg 20: Alexander Beall, dau, Ruth Jackson (w/o John); tract Jackson's Improvement 9 Nov 1719 (PGLR F.258/843 pg 21: Alexander Beall Sr, wife Elizabeth 28 Aug 1731 (PGLR Q.363 pg 21: Alexander Beall, son John 1732 (MCW VII.85) □ pg 23: Alexander Beall 16 Jan 1743-5 Sep 1744; sons William, Ninian, James (dec'd), John (dec'd), bro Robert, s-i-l John Jackson; tracts Neighborhood, Largo, Menella's Quarter (MCW VIII.273) 27 Nov 1744 (I 20,86) (some references to his children also).	
CHILD 3 - James BEALL-489	
One source listed his name as James William Beall. Several sources and some don't say same thing. One source James b. ca 1651 Eng or Fifeshire, Scotland, md ca 1693 Pr Geo Co. Md to Sarah Pearce. Died Feb 1725 Pr Geo Co.. Also stated Sarah Haswell, widow, w/o Dr John had land that was listed in will of James. One source listed his parents as Alexander Beall and Margaret Ramsey. HUSBAND - Alexander BEALL-983

There are several sources of info on Alexander Beall. Some agree and some disagree.

It is believed he was bapt 10 Oct 1649 at St Andrews Parish, Fifeshire, Scotland, 2nd son of Alexander and Margaret Ramsey Beall.

There is some sources that have said this Alexander md 1st unknown and 2nd Elizabeth Coombs and those children were listed as Wm 1683, Ninian 1686, James 1690 and Alexander III. These children were listed with 2nd wife so have a lot more research to do here.

MARRIAGE1: Apparently his first wife is not know but it is believed his 5 children were from this marriage.

MARRIAGE2: Has been stated he md Elizabeth Buckerfield after 1690 and maybe hd 2 more children. This also is a problem as one of the children was said to have been Nathaniel b. 1717 who md Ann Murdock, dau of Rev. Geo Murdock. Whereas several other says that Nathaniel was son of James and Sarah Pearce Beall, James being a brother to this Alexander.

"Maryland Calendar of Wills 1738-1743" has abstract of will of Alexander Beall which fits this person.

16 Jan 1743-5 Sep 1744 Prince Geo Co. MD. pg 273

"Descendants of Alexander Beall 1649-1744" by Roberta Hull Baptized St Andrews Parish, Fifeshire, Scotland, 1st wife unknown but mother of 5 children: William, Ninian, Ruth, John & James. Doesn't list any for 2nd mg. Some of this book carries down John's line. But didn't copy much of that. Pg 8-29 starts line of Nathaniel Beall 1715-1757 who md Ann Murdock. We have many different dates for birth of that Nathaniel.

"The Crabb Family" Vol II by Richard Dwight Prall pub 1997 pg 901-905

Alexander Beall md Margaret Ramsey and listed 3 children Wm, Alexander & James.

Alexander md ca 1680 Elizabeth ? and 6 children listed b. ca 1683-1690's all Elizabeths (here)

HUSBAND - Alexander BEALL-983

There are several sources of info on Alexander Beall. Some agree and some disagree.

It is believed he was bapt 10 Oct 1649 at St Andrews Parish, Fifeshire, Scotland, 2nd son of Alexander and Margaret Ramsey Beall.

There is some sources that have said this Alexander md 1st unknown and 2nd Elizabeth Coombs and those children were listed as Wm 1683, Ninian 1686, James 1690 and Alexander III. These children were listed with 2nd wife so have a lot more research to do here.

MARRIAGE1: Apparently his first wife is not known but it is believed his 5 children were from this marriage.

MARRIAGE2: Has been stated he md Elizabeth Buckerfield after 1690 and maybe had 2 more children. This also is a problem as one of the children was said to have been Nathaniel b. 1717 who md Ann Murdock, dau of Rev. Geo Murdock. Whereas several others say that Nathaniel was son of James and Sarah Pearce Beall, James being a brother to this Alexander.

"Maryland Calendar of Wills 1738-1743" has abstract of will of Alexander Beall which fits this person.

16 Jan 1743-5 Sep 1744 Prince Geo Co. MD. pg 273

We have many different dates for birth of that Nathaniel.

CHILD 1 - Samuel BEALL-880 (Continued)

"The Crabb Family" listed Samuel as son of John and Verlinda and md to Eleanor Brooke, dau of Thomas Brooke. Listed 15 children for him and also some background.

Samuel was one of the 12 judges of Frederick Co. in 1765, served in the MD. legislature from Fred. Co. and was commissioned a militia Col. in the 3rd Fred. Co. Regt. on 1-1776 (formerly Pr Geo Co.) He resigned 4-1776. His estate included "Sams Beginning" and "Water Mill" at Collington Iron Works. Those works were the first in MD and made cannon for the continental Army. Samuel repudiated the Stamp Act and was one of the Committee to carry out the resolves of the Continental Congress of 1774, a delegate to MD Convention at Annapolis held to follow up the resolves, and there he was one who declared Maryland's independence from Britain. He also was Chairman of the Committee of Safety.

His son Samuel III was also one of the 12 immortal judges of Frederick, MD of the Stamp Act according to a newspaper editorila by S.S. Mack in the 11-20-1907 Baltimore Sun. Mack wrote that Eleanor Brooke was the gr dau of Gov. Thomas Brooke of the house of Dela Brooke, MD. Also Gen. Washington was often a guest of Samuel Beall III (Parran p59).

CHILD 2 - Josiah BEALL-881

Josiah listed in fathers will as Joshua 1742 and in mothers will as Josiah 1745-47 and also listed as exec. His daughter Verlinda was also listed in grandmothers will.

2 Different sources below with same wife but 2 different list of children, which is this person?

"The Crabb Family" listed Josiah as son of John and Verlinda and md to Millicent Bradley.

Josiah died 1768 (prob. Maryland?) Here was stated that Josiah Beall served in the Lower HOuse from Frederick co. MD. This book has info on Josiah and Millicent Bradley and their 4 children which are different then ones listed below: Thaddeus Beall b. c 1745-1808 md Amelia Beall b. 1747 Wash co. d. 1812 dau of Samuel Beall 1713-1778; Josiah Beall d. 1805 md Eliz. Brooke; Lucy Beall d. 1799 and Verlinda Beall d. by 1799 md Thomas Beall 1744-1823, brother of Amelia Beall.

"Colonial Settlers of Prince Geo Co.MD" pg 21-22 has listing for one Josias Beall who md Millisent Bradly b. 5 Jan 1733/34; d. 21 Apr 1772 at 5:30am age 39 d/o Robert and Ann Bradly. Listed children but here was not listed Verlinda who was said to be dau of Josiah in will of Verlinda Beall 1745-47.

Not sure the ages fit either as different, as here Millicent b. 1733 and other source 1723 and here children first born as of 1760 thru 1771 and Josiah son of John and Verlinda was said to have died 1768. Their children were listed here as: John Bradly 1st son b. Sun 23 Nov 1760 at 5am bap 7 Dec 1760; Josias Fendall 2nd son b. Tues 31 Aug 1762 at 8:45am bap 12 Dec 1762; female born & died 1 Jan 1764; James Alexander 3rd son b. Thurs 9 May 1765 bap 2 Jan 1765; Robert Augustus 4th son b. Wed 7 Jan 1767 at 4-5am bap 11 Jan 1767; Ann Fendall b. Sun 18 Dec 1768 3-4 am bap 25 Dec 1768; Benjamin Bradly 5th son b. 13 Apr 1771 at 6:30 am bap 14 Apr 1771 Broad Creek (KOP p. 343,344) (Some of these names sound like from another line?)

This list of children seem to fit the Josiah Beall who was son of John and Elizabeth Fendall Beall and am wondering if the other Josiah's wife was not Millicent Bradly but someone else.

CHILD 3 - Sarah BEALL-1113

Sarah listed in will of father 1742 as Sarah Offutt, wife of James. Sarah was not listed in will of mother 1745-47.

"The Crabb Family" listed Sarah as dau of JOhn and Verlinda Beall, md to James Offutt by 1742.

Notes

HUSBAND - Josiah BEALL-881

Josiah listed in fathers will as Joshua 1742 and in mothers will as Josiah 1745-47 and also listed as exec. His daughter Verlinda was also listed in grandmothers will.

2 Different sources below with same wife but 2 different list of children, which is this person?

"The Crabb Family" listed Josiah as son of John and Verlinda and md to Millicent Bradley.

Josiah died 1768 (prob. Maryland?) Here was stated that Josiah Beall served in the Lower HOuse from Frederick co. MD. This book has info on Josiah and Millicent Bradley and their 4 children which are different then ones listed below: Thaddeus Beall b. c 1745-1808 md Amelia Beall b. 1747 Wash co. d. 1812 dau of Samuel Beall 1713-1778; Josiah Beall d. 1805 md Eliz. Brooke; Lucy Beall d. 1799 and Verlinda Beall d. by 1799 md Thomas Beall 1744-1823, brother of Amelia Beall.

"Colonial Settlers of Prince Geo Co.MD" pg 21-22 has listing for one Josias Beall who md Millisent Bradly b. 5 Jan 1733/34; d. 21 Apr 1772 at 5:30am age 39 d/o Robert and Ann Bradly. Listed children but here was not listed Verlinda who was said to be dau of Josiah in will of Verlinda Beall 1745-47.

Not sure the ages fit either as different, as here Millicent b. 1733 and other source 1723 and here children first born as of 1760 thru 1771 and Josiah son of John and Verlinda was said to have died 1768. Their children were listed here as: John Bradly 1st son b. Sun 23 Nov 1760 at 5am bapt 7 Dec 1760; Josias Fendall 2nd son b. Tues 31 Aug 1762 at 8:45am bapt 12 Dec 1762; female born & died 1 Jan 1764; James Alexander 3rd son b. Thurs 9 May 1765 bapt 2 Jan 1765; Robert Augustus 4th son b. Wed 7 Jan 1767 at 4-5am bapt 11 Jan 1767; Ann Fendall b. Sun 18 Dec 1768 3-4 am bapt 25 Dec 1768; Benjamin Bradly 5th son b. 13 Apr 1771 at 6:30 am bapt 14 Apr 1771 Broad Creek (KOP p. 343,344) (Some of these names sound like from another line?)

This list of children seem to fit the Josiah Beall who was son of John and Elizabeth Fendall Beall and am wondering if the other Josiah's wife was not Millicent Bradly but someone else.

WIFE - Millicent BRADLEY-1121

The Crabb Family listed Millicent Bradley as wife of Josiah Beall born 1723 Pr Geo Co. Md.

"Colonial Settlers of Pr Geo Co. MD" pg 21 listed Millisent Bradly b. 5 Jan 1733/34 d. 21 Apr 1772 age 39, dau of Robert and Ann Bradly and md to Josiahs Beall. This list of children are different then the ones in other source, so which is right? I believe this family is from Josiah Beall, son of John and Elizabeth Fendell Beall as dates would seem to fit better. Could there have been 2 Millicent Bradleys?

CHILD 1 - Verlinda BEALL-1126

Verlinda Beall dau of Josiah Beall was listed in will of grandmother Verlinda Beall 1745-47 Pr Geo Co. MD.

CHILD 1 - Verinda BEALL-1126
Verinda Beall dau of Josiah Beall was listed in will of grandmother Verinda Beall 1762-47 in Gen Co. MD.

seems to fit better. Could there have been 2 Millicent Bradleys?
which is right? I believe the family is from Josiah Beall, son of John and Elizabeth Fentell Beall as dates would
Robert and Ann Beady and not as Josiah Beall. The list of children are different from the ones in other sources, so

WIFE - Millicent BRADLEY-1121
The Crabb Family listed Millicent Bradley as wife of Josiah Beall born 1723 in Gen Co. MD.

The list of children seems to fit the Josiah Beall who was son of John and Elizabeth Fentell Beall and was wandering to
Broad Creek (KOP p. 342-343) - (None of these names sound like from another list)

as of 1760 thru 1771 and Josiah son of John and Verinda was said to have died 1768. These children were listed
not sure the ages fit either as different, as born Millicent b. 1723 and other sources 1723 and here also on first born
Verinda who was said to be dau of Josiah in will of Verinda Beall 1742-47.
1723/34; d. 21 Nov 1777 at 2:30 am age 39 d/o Robert and Ann Beady. Listed children but here was not listed
"Colonial Settlers of Prince Geo. Co. MD" pg 41-52 has listing for one Josiah Beall who m'd Millicent Beady b. 2 Jan

brother of Amelia Beall.

HUSBAND - Nathaniel BEALL-407

Different sources for Nathaniel Beall b. 1690/or 1699, son of James William and Sarah Pearce Beall. This source says he md Elizabeth Brooke but could have md 2nd to Ann Murdock.

From some info believe he was the son of James and Sarah Pearce Beall.

Several differen birth dates for Nathaniel as well from 1690 to 1717.

Married abt 1740 to Ann.

Death for Nathaniel Beall listed as 1757 Frederick Co. MD and his will was listed there and listed wife Ann and their children (same listed as grandchildren in Rev. Geo Murdocks will). Will 20 Jun 1757 written -20 Nov 1757 probated.

Internet sources had listed Nathaniel md first to Elizabeth Brooke ca 1724. Elizabeth b. 23 Nov 1707 d. 1774? Their children were listed as Basil 1725, Elizabeth 1728, James 1732, Roger Brooke 1734, and Mary and Ann. Here Nathaniel b. 1699. I would believe we have 2 differen Nathaniel's here? But need much more research to be sure.

The Beall's were said to have come from St Andrews parish, Fifeshire, Scotland.

Internet site by Charlie Dee Taylor on rootsweb.com has James Beall 1700- son of Alexander Beall & Elizabeth Coombes md to Sara Peach with 7 children and the son Nathaniel b. 1721.

Internet site by John Wood on rootsweb.com has Nathaniel Beall b. 1699 d. 1757 son of James Beall 1752 Scotland and Sarah Peerce 1653-1682 md 1st Elizabeth Brooke ca 1720. Listed 4 children: Basil, Elizabeth, James, Roger Brooke Beall and 2nd md ca 1718/1749 to Ann Murdock and listed the same 5 children we know from the will. This site also listed Mary Beall 1744- ? md Ralph Hilleary b. 1740.

WIFE - Mary BEALL-397 (Continued)

Most stated she was dau of Nathaniel Beall and Ann Murdock. Ralph and Mary's children were listed as grandchildren in will of Rev. George Murdock 1761 Pr Geo Co. MD so believe that is correct. Their children has been listed as Eleanor who md Richard Jacobs, Ann who md John Scott and Levi who d. after 1818 and William also has been listed as child.

Not located marriage record to date but has been stated md 9 Mar 1760 in MD.

Death has been listed as 1822 but not sure what county in Maryland. Believe they were living in Allegany Co. MD as that is where her husband died in 1823. Also said buried in Hilleary cem, 4 miles South of Cumberland, MD at age 76.

"Descendants of Alexander Beall 1649-1744" pg27 has very little on Mary other then b. ca 1743 d. 1822 and md ca 1760 Ralph Hilleary 1740-1823 son of William Hilleary and Margaret Crabb (DAR record) Listed one son Levi Hilleary died after 1818.

CHILD 1 - Eleanor HILLEARY-386

BIRTH: Birth date for Eleanor listed as 26 Jan 1766.

PARENTS: It is believed her parents were Ralph Crabb Hillary, son of William, son of Thomas, son of Thomas, son of Chamberland Hillary. Ralph married Mary Beall, dau of Nathaniel Beall & Ann Murdock and their children were listed as: Eleanor Hillary Jacobs, William Hillary, Ann Hillary Scott and Levi Hillary. Where does Matildah Fechtig, wife of Jacob Fechtig with son Levi Fechtig as Ann's nephew fit in? Also who was William Murdoch Beall. Levi Fechtig, Levi Hillary, for sure living in 1844 according to Ann Scott's will. The parents names were from the internet and others from Ann Scott's will.

One Jacob Fechtig, youngest son of Christian Fechtig of Hagerstown md to Miss Matilda Ann Hilleary, only dau of the late William Hilleary Esq. of this county. DATED 7 Mar 1825 Appears Ann's brother was this William Hilleary Esq.

Sources located in Salt Lake City and internet seems to list parents of Ralph as William and Margaret Crabb Hilleary and his father Thomas and Eleanor Young Hilleary and his father Thomas and Eleanor Sprigg Hilleary. No mention of a Chamberland Hilleary here.

Eleanor's mother Mary Beall has been listed as dau of Nathaniel Beall and Ann Murdock. Their children were listed as grandchildren in the will of Rev. George Murdock so that appears to be correct.

Also from internet on IGI files was listed Eleanor Hilleary as dau of Henry Hilleary and Cassandra Magruder. Eleanor born ca 1759 MD and md Richard Jacobs 1789. (This I'm guessing is wrong-GLT)

Also from informant on 121 line was listed Elmore Hilkey as son of Henry Hilkey and Catherine McQuinn. Elmore born ca 1790 MD was married Richard Jacobs 1789. (This I'm guessing is wrong-ELT)

HUSBAND - Richard JACOBS-385

BIRTH: No record of birth for Richard so far but probably ca 1768 if md 1789 at age 21?

MARRIAGE: German Reformed Church, Frederick, Frederick Co. MD dated 20 Oct 1789 to Eleonore Hillary. Believe Eleanor was mother of Sarah Davidson and Mary Ann Hurn McCloud and possibly Matilda Fechtig? Maybe more even?

MARRIAGE2: If Richard married Sarah Hillery? as she was stated his wife in his will of 1824, believe was after 1820 as had infant son in 1824 and no wife in 1820 census.

DEATH: Appears to have died by 9 Mar 1824 when will was probated in Allegany Co. MD. Will written Allegany Co. MD 8 Feb 1824.

This copied from the actual will of Richard Jacobs:

Info that Sherre Marsh received from Allegany Co. MD listed will of Richard Jacobs admitted for probate 10 Aug 1825 with Lenox Martin as Administrator. This was said recorded in Book A. The next filing for probate was 14 Feb 1826, same Administrator, Book A pg 320. The final filing was 13 Sep 1826, same Administrator, Book A pg 333. The last filing was 8 Sep 1829, same administrator, Book A pg 402. Said Joseph Jacobs received payment. So far this doesn't match with his will that I received so will have to do more checking.

HUSBAND - Richard JACOBS-385 (Continued)

She also received info about Ann Hillery Scott who listed Sarah Davidson, her niece and Mary Ann McCloud, formerly Mary Ann Hearn (dau of Richard Jacobs) and brother Levi Hillery. This now all fits but she also listed a nephew Levi Fechtig to receive if his mother died before and named her as Matildah Fechtig, wife of Jacob Fechtig with William Murdock Beall to take care of money for Matildah.

This part doesn't fit as family of Ann Hillery and Levi Hillery and William and Eleanor Jacobs doesn't list a sister Matildah.

WIFE - Eleanor HILLEARY-386

BIRTH: Birth date for Eleanor listed as 26 Jan 1766.

PARENTS: It is believed her parents were Ralph Crabb Hillary, son of William, son of Thomas, son of Thomas, son of Chamberland Hillary. Ralph married Mary Beall, dau of Nathaniel Beall & Ann Murdock and their children were listed as: Eleanor Hillary Jacobs, William Hillary, Ann Hillary Scott and Levi Hillary. Where does Matildah Fechtig, wife of Jacob Fechtig with son Levi Fechtig as Ann's nephew fit in? Also who was William Murdoch Beall. Levi Fechtig, Levi Hillary, for sure living in 1844 according to Ann Scott's will. The parents names were from the internet and others from Ann Scott's will.

One Jacob Fechtig, youngest son of Christian Fechtig of Hagerstown md to Miss Matilda Ann Hilleary, only dau of the late William Hilleary Esq. of this county. Dated 7 Mar 1825 Appears Ann's brother was this William Hilleary Esq.

Sources located in Salt Lake City and internet seems to list parents of Ralph as William and Margaret Crabb Hilleary and his father Thomas and Eleanor Young Hilleary and his father Thomas and Eleanor Sprigg Hilleary. No mention of a Chamberland Hilleary here.

Eleanor's mother Mary Beall has been listed as dau of Nathaniel Beall and Ann Murdock. Their children were listed as grandchildren in the will of Rev. George Murdock so that appears to be correct.

Mrs Margaret Hilleary, relict of the late Wm Hilleary Esq of this co. died in the town of Allegany, Washington Co. MD (paper 16 Aug 1828) at home of son in law Jacob Fechtig, monday last. She has left 2 children and several grandchildren and numerous circle of relations in this, Frederick and Montgomery Co. (Newspapers for Allegany, Washington Co. MD) (wife of brother William)

Notes WIFE - Eleanor HILLEARY-386 (Continued) Also from internet on IGI files was listed Eleanor Hilleary as dau of Henry Hilleary and Cassandra Magruder. Eleanor born ca 1759 MD and md Richard Jacobs 1789. (This I'm guessing is wrong-GLT) MARRIAGE:Eleanor Hilleary to Richard Jacobs Listed at the German Reformed Church,Frederick, Frederick Co. MD. On the internet and also from a book "Marriage Licenses of Frederick Co. MD 1778-1810" by Margaret E. Myers. DEATH: I believe she died before 1824 sometime as Richard Jacobs in his will of 1824 listed wife as Sarah. Internet listed wife as Sarah Hillery. Could have been just before 1820 also. 1790 Richard Jacobs in Frederick Co. MD need to check census for this info. 1800 not located or checked? 1820 Allegany Co. MD Dist 7 p31: one Richard Jacobs m-10/16-2 m- over 45 (1804/10- bef 1775 no females listed CHILD 1 - Sarah Ann JACOBS-387 BIRTH: Sarah Ann Jacobs was said born ca 1791 MD. She was listed in the will of Richard Jacobs 1824 Allegany Co. Md as daughter. Also listed as niece in will of Ann Hillery Scott 1844 Allegany Co. MD. Her parents have been listed as William and Elizabeth Bowdle Jacobs and also William and Elizabeth Drollinger Jacobs and now know neither is correct. MARRIAGE: Recorded Allegany Co. MD Sarah Jacobs to John Davidson 10 Mar 1810. CHILDREN: Not sure who her children were, maybe Mary Eliza White, wife of Thomas F. White and Sarah Reed, wife of Thomas Reed and Sarah and Thomas had dau Ann Scott Reed also (according to will of Ann Hillery Scott 1844). Had stated Sarah's daughters afore mentioned and they were only two that can't account for. Thomas F. White was Ann Scott's executor. DEATH: Was after 1844 when she was listed as niece in will of Ann Hillery Scott's will in Allegany Co. MD. Sarah widow of John Davidson living in Harrison Co. OH. 1810 Allegany Co. MD pg 14 John Davidson m-16/26-1 f-16/26-1 1820 Allegany Co. MD pg 23 John Davidson m- to 10-2 26/45-1 f- to 10-2 10/16-1 26/45-1 1830-40-50 check Ohio, maybe Harrison Co.? CHILD 2 - Mary Ann JACOBS-66 I am going to disconnect Mary Ann Jacobs from who thought was her father, Elias Jacobs for the time being until I can find more proof he was her father. He is still listed in the data base under Rin #67. Even though that info came from Family group sheets at LDS library, It is looking like that it isn't right. BIRTH: Mary Ann's birth date was listed in Hurn Bible which had been in the hands of son Henry P. Jr. in Washington. Family group sheets from Salt Lake City listed birth date and place and parents, which now appear to be wrong. PARENTS: Family group sheets had listed father as Elias Jacobs and his parents as William and Elizabeth Bowdle Jacobs. Now in Oct 2000 some info from the internet says an Elias was son of Wm and Elizabeth Drollinger Jacobs and birth date of 1784 which would be too late to have dau Mary Ann b. 1797. Also on the internet the birth date and death date of both Williams and both Elizabeths were the same. But was contacted by a descendant of Wm & E. Drollinger Jacobs and he listed different dates for them which was later then for other Wm & E. Jacobs so believe there may have been 2 families that will have to separate now to see who belongs to who.

CHILD 2 - Mary Ann JACOBS-66 (Continued)

***PARENTS: The above was 1st info on who parents may be of Mary Ann Jacobs but now we have proof that she was the daughter of Richard Jacobs who d. 1824 Allegany Co. MD as she was listed as dau: Mary Ann Hern. Also proof from Mary Ann's Aunt Ann Hillery Scott who died in 1844 Allegany Co. MD. She was listed as niece Mary Ann McCloud, formerly Mary Ann Hearn (dau of Richard, deceased) living in Indiana in her will as was niece Sarah Ann Jacobs Davidson living in Harrison Co. OHIO

MARRIAGE: There was a marriage record in Allegany Co. MD of one Mary Ann Jacobs to Henry Hun/Hurn and the date that was recorded in the Hurn bible was different then the actual record. First 2 children listed their birth places as VA. However checked all census index for 1820 VA and did not locate Henry Hurn. Not in IN index. As some have said he was married in Floyd Co. IN where he was living in 1830.

Internet info had listed her md in Allegany Co. MD 1819.

2nd marriage is recorded in Harrison Co. IN. to Samuel McCloud.

DEATH: Located her grave stone in the Zoar cemetery, near Crandall, IN. Family group sheets list same info as does the Hurn Bible. Have pic of stone. Had hoped there may have been some info on the burial of Mary Ann from the cemetery records at the church or membership papers but there were none.

Now the internet info has revealed that her parents maybe Richard Jacobs and Eleanor/Sarah Hilleary from Frederick/Allegany Co. MD. Was also stated she was niece of Ann Hillery Scott as was Sarah Jacobs Davidson in 1844 Allegany Co. MD estate.

CHILDREN: Hurn Bible list birth, death, marriage dates of children as did other research. Census records also gave family info.

Was told of a census listing for 1790 of one Ricahrd Jacobs in Frederick Co. MD

1800 Mary would prob be with parents. She would be age 3 years.

1810 Have to check for one Richard Jacobs in 1810 MD.

1820 Have to check for Richard Jacobs in 1820 Allegany Co. MD as died there in 1824.

Harrison Co. IN court house.

Internet info Oct 2000. Also from John Jacobs who descends from whom I thought was a son of our Jacobs line, which may not be.

Internet info Jan 2002 which is begining to look like Richard and Eleanor/Sarah Hillery Jacobs is parents.

Internet info on Ralph Crabbs Hillary b. 2 Dec 1740 MD and died 2 Oct 1823 md Mary Beall 9 Mar 1760, dau of Nathaniel Beall & Ann Murdock, their children listed as: Eleanor Hillary (believe md Richard Jacobs). William Hillary, Ann Hillary who md John Scott and Leiv Hillary 1773-1856 MD.

Although was said Richard md Sarah Hillery (have thought maybe 2nd wife as Mary Ann Jacobs Hurn and Sarah Ann Jacobs Davidson were listed as daus of Richard & Sarah and nieces of Ann Hillary and John Scott. We have the marriage of Eleanor to Richard Jacobs 20 Oct 1789 German Reformed Church, Frederick, Frederick Co. MD. but so far no record of mg to any Sarah Hillary.

Info from the will of Richard Jacobs was filed 9 Mar 1824 Bk A and prob. 14 Feb 1826 and wife listed as Sarah Hillary and infant son Martin Richard and 2 dau, Sarah DAvidson and Mary Ann Herron. Estate went thur 1829. The executor was James Prather.

Another record from internet listed Eleanor Hilleary b. ca 1759 MD was dau of Henry Hilleary and Cassandra Magruder so again have conflicting info.

Lewis and Mary Davidson had 12 children, one being John S. Davidson but would have married too late to be father of our John, I believe but could have been related as they all came from Allegany Co. HUSBAND - John Davidson (Continued)

1860 Sarah either died 1859 or 1863 or May 1860 in Tuscarawas Co. OH, buried Tippiacanoe Co. OH

One internet site under Antique Rifles listed one John Davidson 1787-1832, James River School, Virginia. Also shows a pic of a rifle. Don't know if this has anything to do with this John but date was close.

One WorldConnect sit listed John Davidson b. 1780 Delaware, md Sarah Ann Jacobs and one daughter Lucinda b. 1813 Frederick Co. MD.(copy)

One statement was John and Sarah and children with 2 cousins left MD for OH with oxen and covered wagon thru Wheeling WV on to Harrison Co. OH by 1820. Where believe they found land there around Tippercanoe, Harrison Co. OH. As stated they were buried in the Family cem, now called Davidson Family Cem. where only John and Sarah are buried. Burial place up a hill behind a red barn. Those are the two only stones in the cemetery anyway.(copy)

A statement on Find A Grave by Charlene said Sarah Ann Jacobs Davidson was the dau of Richard Jacobs and his wife Eleanor Hilleary Jacobs. Her grandfather Ralph Crabb Hilleary gave service in the Rev. War fr4om Maryland. My father related to me that Sarah's father told her he would disown her if she went to Ohio with John. He was fearful that he would never see her again. Wonder if he told his other daughter Mary Ann Hurn the same thing when she moved to IN (my line)? Hadn't found her in Find A Grave to date.

WIFE - Sarah Ann Jacobs

BIRTH: Sarah Ann Jacobs was said born ca 1791 MD. She was listed in the will of Richard Jacobs 1824 Allegany Co. Md as daughter. Also listed as niece in will of Ann Hillery Scott 1844 Allegany Co. MD.(copies)

Her parents have been listed as William and Elizabeth Bowdle Jacobs and also William and Elizabeth Drollinger Jacobs and now know neither is correct.

**Her parents were Richard Jacobs and Eleanor Hilleary. Sarah listed in Richards will as dau. (copy)

MARRIAGE: Recorded Allegany Co. MD Sarah Jacobs to John Davidson 10 Mar 1810. (copy)

John served in the War of 1812 and Sarah in 1855 received bounty land based on his service. She received the land and sold it. (not sure where it was) US Army Register of Enlistments 1798-1914: John Davidson b. 1783 Maryland, enlistment age 29

CHILDREN: Not sure who her children were, Had stated Sarah's daughters afore mentioned and they were only two that can't account for. Thomas F. White was Ann Scott's executor.

**Found out later Mary White was dau of Joseph Perry Hilleary, son of William and Margaret Perry Hilleary and believe Sarah Reed was also their daughter. Pretty sure now they had Eleanor Horn, Lucinda Horn, Zera and Phares (twins), Miranda Chandler and Permelia Ann Markee. This one is now proved , have proof now from fathers estate listed her and her husband.

Internet site by Arlene Secrist (Apr 2004) had listed 2 children for Sarah as Zera b. ca 1814 and Pharis b. ca 1814 both in Harrison Co. OH. Found neither in census but if females would have been married maybe. Need to check marriage records for Harrison Co. OH. The twins were actually b. Apr 1817.

DEATH: Was after 1844 when she was listed as niece in will of Ann Hillery Scott's will in Allegany Co. MD. Sarah widow of John Davidson living in Harrison Co. OH.

Located her death in Find A Grave Site as b. 1790 Maryland, and died May 1860 Tuscarawas Co. OH and buried on the farm burial plot on the hill behind the red barn, now called Davidson Family Cemetery, Tippecanoe, Harrison Co. OH. Which is where John Davidson was also buried at his death Sep 1829 Harrison Co. OH. B. 1779 Allegany Co. MD. Only two listed buried there in Find A Grave.

Does not list parents of Sarah Ann Jacobs and only 1 child where we know she had 7, which was Zera 1817-1901 Also note from Find A Grave was Sarah was listed in the census of 1850 with daughter, Miranda Chandler. In the mortality schedule of 1860 her demise is listed as may, cause, paralysis, age 71

Find A Grave site created by Charlene Towsley 2012 listed Sarah Ann Jacobs Davidson # 98128908 and other sent messages. besides Charlene. She wrote Ralph Crabb Hilleary is #53650290 and Sarah Ann Jacobs Davison was the daughter of Richard Jacobs and his wife Eleanor Hilleary Jacobs. Her grandfather, Ralph Crabb Hilleary gave service in the Rev. War from Md.

his door. The deserving poor never applied to him without receiving help. The widow and orphan found in him a friend. Industrious and frugal, he and his wife, by their united efforts accumulated a generous competence. Small of stature, he was yet gifted with large strength and great endurance. He was one of the best rail-splitters of his day, and he and his brother in one day made 500 rails. He was as good with the mattock as with the ax and maul, and cleared much of the land he owned. He was a great wheat raiser and while wheat was yet cut with the cradle, he raised from two to five hundred bushels per year.

He and his wife would, in the early days, clean up a load of wheat from the chaff at night for him to load and market the next day. In this way they paid out and added to the home farm, while rearing their large family. The evening of life was passed together in comfort. The parting will not be for long.

Funeral services were held at Mt Carmel last Sunday, by Rev. Grubbs.

The large concourse of friends and neighbors present to pay the last tribute of respect to the dead attested the high esteem in which he was held."

Two Roots Web Worldconnect sites, one under Griffith Johnson MD and other Our Maternal Ancestors w/sources they used. They actually had 10 children but Griffith sites list 7, other site list no children.

I have found most of them in Find A Grave (2013).

CHILD 5 - Richard Davidson

Charlene Towsley must have located info on Richard as no one else has that info. Believe him born 1818-1819 in allegany Co. MD. Info from Find A Grave site (Oct 2013)

He was the youngest of the 5 children born in Alleghany Co Md that went with John and Sarah to OH. He farmed in Harrison Co. OH. Died thre in 1846 and was stated he was not married. there were 2 more daughters born after Richard.

Parents listed John Davidson 779-1829 and Sarah Ann Jacobs Davidson 1790-1859 (May 1860?)

Sarah's father was Richard so very possible.

CHILD 6 - Permelia Ann Davidson

All reserch and info appears to put her with John and Sarah Ann Jacobs Davidson but can't find any proof of it. .
Children's names are simlier to other siblings and places where they were some same as siblings.

Charlene Towsley sent me copy of estate of John Davidson and their married children, one being Permelia Markee and others and widow Sarah Ann Jacobs Davidson were listed and signed their names so have the proof of who her parents were along with rest of the children.

She married John Wesley Markee 7 Apr 1841 Harrison Co. OH., possibly had 114-15 children. Will need to check census records to see if there is a difference for children as most of them were located in Find A Grave in Forrest-Burr cem along with parents. Some World connect sites list different children as well I am going to leave the children as

I believe Miranda was married to Philander Chandler abt 1847 and had a son Levi H. 1848.

1840 Harrison Co. Oh 1 female 10/15 or 1 female 15-20 that could be Miranda w/mother.

HUSBAND - Henry Philip Hurn

BIRTH: Henry's birth date was listed in Hurn Bible which had been in the hands of son Henry P. Jr. in Washington. It was also stated his birth place was not known, possibly VA or didn't come from England until after 1800. Not sure that is right.

MARRIAGE: There was a marriage of one Henry Hurn (Hunn) to Mary Ann Jacobs in Allegany Co. MD 20 Jan 1819. Date of 12 Jan 1818 was recorded in the Hurn bible. First 2 children listed their birth places as VA. However checked all census index for 1820 VA and did not locate Henry Hurn. Not in IN index. As some have said he was married in Floyd Co. IN where he was living in 1830.

DEATH: Located his grave stone in the Zoar cemetery, near Crandall, IN. Family group sheets list same info as does the Hurn Bible. Have pic of stone.

PARENTS: Not located parents for Henry to date. There was one David Hurn in Harrison Co. IN who was married in Front Royal, VA and born 1793 VA died 1868 in Harrison Co. IN. Believe him to be brother to Henry. Which maybe is where Henry and Mary Ann's children were born before coming to IN.

CHILDREN: Hurn Bible list birth, death, marriage dates of children as did other research. Census records also gave family info.

1790 VA index checked for Hurn, located none in VA. But info on David Hurn b. 1793 said he was born in VA and md in VA so really need to recheck info in Shenandoah/Page/Warren Co. VA.

1800 VA index checked and not located Hurns. Henry would be age 5 yrs.

HUSBAND - Henry Philip Hurn (Continued)

1810 VA index checked and not located Hurns. Henry would be age 15 yrs.

1820 Henry would be married ca 1819 and should be in VA index but not located to date. Henry would be 26 yrs. Maybe in Allegany Co. MD (should check there).

1830 Floyd Co. IN pg 350 Henry Hurn males--5/10-1 10/15-1 30/40-1 females- -to 5-1 10/15-1 20/30-1 30/40-1.

Corresponding with Sherre Marsh, Box 1200, Camdenton, MO 65020 and e-mail Nov 2000 sent some info on son Levi and family, of which she descends.

Sherre also said she located a Henry Hurn born PA ca 1764 Vol 87 pg 512 under Bio info of Rev. War. Census for Pensioners for Rev. military service. (Could well be father as right age). Washington DC 1841 p195:124 from the American Genealogical-Biographical Index.

Also a Henry Hurn listed with the Musters of MD Troops Vol 1, they listed it as Hurn but said could also be Horn. (If this was Rev War could be Henry b. 1764).

Believe I had ran across some info on one Henry Hun of PA that was in Rev. War. and maybe a connection to our Henry Hurn b. 1795.

WIFE - Mary Ann Jacobs

Was she the dau of Eleanor Hillery or the dau of Sarah Ball?????????????

BIRTH: Mary Ann's birth date was listed in Hurn Bible which had been in the hands of son Henry P. Jr. in Washington. Family group sheets from Salt Lake City listed birth date and place and parents, which now appear to be wrong.

PARENTS: Family group sheets had listed father as Elias Jacobs and his parents as William and Elizabeth Bowdle Jacobs. Now in Oct 2000 some info from the internet says an Elias was son of Wm and Elizabeth Drollinger Jacobs and birth date of 1784 which would be too late to have dau Mary Ann b. 1797. Also on the internet the birth date and death date of both Williams and both Elizabeths were the same. But was contacted by a descendant of Wm & E. Drollinger Jacobs and he listed different dates for them which was later then for other Wm & E. Jacobs so believe there may have been 2 families that will have to separate now to see who belongs to who.

*****PARENTS:** The above was 1st info on who parents may be of Mary Ann Jacobs but now we have proof that she was the daughter of Richard Jacobs who d. 1824 Allegany Co. MD as she was listed as dau: Mary Ann Hurn. Also proof from Mary Ann's Aunt Ann Hillery Scott who died in 1844 Allegany Co. MD. She was listed as niece Mary Ann McCloud, formerly Mary Ann Hearn (dau of Richard, deceased) living in Indiana in her will as was niece Sarah Ann Jacobs Davidson living in Harrison Co. OHio. We just don't know which wife was her mother???

MARRIAGE: There was a marriage record in Allegany Co. MD of one Mary Ann Jacobs to Henry Hurn/Hurn and the date that was recorded in the Hurn bible was different then the actual record. First 2 children listed their birth places as VA. However checked all census index for 1820 VA and did not locate Henry Hurn. Not in IN index. As some have said he was married in Floyd Co. IN where he was living in 1830.

Internet info had listed her md in Allegany Co. MD 1819.

2nd marriage is recorded in Harrison Co. IN. to Samuel McCloud.

DEATH: Located her grave stone in the Zoar cemetery, near Crandall, IN. Family group sheets list same info as does

the Hurn Bible. Have pic of stone. Had hoped there may have been some info on the burial of Mary Ann from the cemetery records at the church or membership papers but there were none.

Now the internet info has revealed that her parents maybe Richard Jacobs and Eleanor/Sarah Hilleary from Frederick/ Allegany Co. MD. Was also stated she was niece of Ann Hillery Scott as was Sarah Jacobs Davidson in 1844 Allegany Co. MD estate. But the conflict of marriage of Richard Jacobs to Sarah Ball in 1795 leaves us in a delima as Believed Mary Ann was dau of Eleanor Hilleary but if marriage date is correct then she would be dau of Sarah Ball. Have done a lot of research on Eleanor Hilleary's family and all agree Eleanor was md to Richard Jacobs but they don't know when she died so was it abt 1797 when Mary Ann was born or was it actually 1795 when Richard was said to have md 2nd time?

CHILDREN: Hurn Bible list birth, death, marriage dates of children as did other research. Census records also gave family info.

1790 census of Frederick Co. MD listed one Richard Jacobs with 2 males over 16 and 2 females in the houshold.

1800 Mary would prob be with parents. She would be age 3 years. Not located an index for MD.

Internet info Oct 2000. Also from John Jacobs who descends from whom I thought was a son of our Jacobs line, which may not be.

Internet info Jan 2002 which is begining to look like Richard and Eleanor/Sarah Hillery Jacobs is parents.

Internet info on Ralph Crabbs Hillary b. 2 Dec 1740 MD and died 2 Oct 1823 md Mary Beall 9 Mar 1760, dau of Nathaniel Beall & Ann Murdock, their children listed as: Eleanor Hillary (believe md Richard Jacobs). William Hillary, Ann Hillary who md John Scott and Leiv Hillary 1773-1856 MD.

Although was said Richard md Sarah Hillery (have thought maybe 2nd wife as Mary Ann Jacobs Hurn and Sarah Ann Jacobs Davidson were listed as daus of Richard & Sarah and nieces of Ann Hillary and John Scott. We have the marriage of Eleanor to Richard Jacobs 20 Oct 1789 German Reformed Church, Frederick, Frederick Co. MD. but so far no record of mg to any Sarah Hillary.

Info from the will of Richard Jacobs was filed 9 Mar 1824 Bk A and prob. 14 Feb 1826 and wife listed as Sarah Hillary and infant son Martin Richard and 2 dau, Sarah Davidson and Mary Ann Herron. Estate went thur 1829. The executor was James Prather.

WIFE - Mary Ann Jacobs (Continued)

Another record from internet listed Eleanor Hilleary b. ca 1759 MD was dau of Henry Hilleary and Cassandra Magruder so again have conflicting info.

Info from Sarah ann Jacobs Davidson site on Find A Grave created by Charlene Towsley (2012) and she stated her father related that Sarah Ann Davidson and John moved to Ohio he would disown her but apparently he didn't as she was listed in his will. So wonder if he told his other daughter Mary Ann Hurn the same thing when she moved to IN. Although she was also in her fathers will.

CHILD 1 - Mary Ellen Hurn

BIRTH: Hurn bible record, grave stone, census. Census stated born VA. Bible list her name as Mary Ellen.

Notes

HUSBAND - Samuel Mc Cloud

Birth and death date from cemetery records.

Married 1-

Married 2- 1841 Harrison Co. IN.

He was buried at Zoar cemetery, same as his 2nd wife.

He was married before and had one son that is known, maybe Martin McCloud.

Need to do more checking on this family.

Earlier census records not checked for Samuel to date.

1850 Harrison Co. IN Samuel McCloud 55 teacher, Mary A. 51 MD, Henry P. Hurn 16 In, David W. Hern 13, Matilda Berryman 19 IN.

1860 not located Samuel or Mary Ann.

1870 Harrison Co. IN p34 #210/221 Samuel McCloud 75 Va farmer, Mary A. 73 MD.

WIFE - Mary Ann Jacobs

Was she the dau of Eleanor Hillery or the dau of Sarah Ball?????????????

BIRTH: Mary Ann's birth date was listed in Hurn Bible which had been in the hands of son Henry P. Jr. in Washington. Family group sheets from Salt Lake City listed birth date and place and parents, which now appear to be wrong.

PARENTS: Family group sheets had listed father as Elias Jacobs and his parents as William and Elizabeth Bowdle Jacobs. Now in Oct 2000 some info from the internet says an Elias was son of Wm and Elizabeth Drollinger Jacobs and birth date of 1784 which would be too late to have dau Mary Ann b. 1797. Also on the internet the birth date and death date of both Williams and both Elizabeths were the same. But was contacted by a descendant of Wm & E. Drollinger Jacobs and he listed different dates for them which was later then for other Wm & E. Jacobs so believe there may have been 2 families that will have to separate now to see who belongs to who.

*****PARENTS:** The above was 1st info on who parents may be of Mary Ann Jacobs but now we have proof that she was the daughter of Richard Jacobs who d. 1824 Allegany Co. MD as she was listed as dau: Mary Ann Hern. Also proof from Mary Ann's Aunt Ann Hillery Scott who died in 1844 Allegany Co. MD. She was listed as niece Mary Ann McCloud, formerly Mary Ann Hearn (dau of Richard, deceased) living in Indiana in her will as was niece Sarah Ann Jacobs Davidson living in Harrison Co. OHio. We just don't know which wife was her mother???

MARRIAGE: There was a marriage record in Allegany Co. MD of one Mary Ann Jacobs to Henry Hun/Hurn and the date that was recorded in the Hurn bible was different then the actual record. First 2 children listed their birth places as VA. However checked all census index for 1820 VA and did not locate Henry Hurn. Not in IN index. As some have said he was married in Floyd Co. IN where he was living in 1830.

Internet info had listed her md in Allegany Co. MD 1819.

2nd marriage is recorded in Harrison Co. IN. to Samuel McCloud.

DEATH: Located her grave stone in the Zoar cemetery, near Crandall, IN. Family group sheets list same info as does the Hurn Bible. Have pic of stone. Had hoped there may have been some info on the burial of Mary Ann from the cemetery records at the church or membership papers but there were none.

Now the internet info has revealed that her parents maybe Richard Jacobs and Eleanor/Sarah Hilleary from Frederick/ Allegany Co. MD. Was also stated she was niece of Ann Hillery Scott as was Sarah Jacobs Davidson in 1844 Allegany Co. MD estate. But the conflict of marriage of Richard Jacobs to Sarah Ball in 1795 leaves us in a delima as Believed Mary Ann was dau of Eleanor Hilleary but if marriage date is correct then she would be dau of Sarah Ball. Have done a lot of research on Eleanor Hilleary's family and all agree Eleanor was md to Richard Jacobs but they don't know when she died so was it abt 1797 when Mary Ann was born or was it actually 1795 when Richard was said to have md

HUSBAND - Rev George Murdock

Rev. George Murdock was said to be father of Ann Murdock who md Nathaniel Beall.
Grandchildren listed in his will were same as Nathaniel and Ann had.

Had thought birth date for George abt 1680 and that would make him 80 years of age at death so maybe the date would be closer to Eleanor who was b. 1669 so he could have been born ca 1680. Will have to go back and check his records as minister for some dates to see if can get right birth year. If Eleanor b. 1669 and several sources have listed his birth date as 1680. Which would make Eleanor 10 years older than he, which would not be unheard of I guess.

Marriage 1- Not located a name for first wife, but said mother of Ann. Sources have listed his first wife as Mary Browne, dau of Benjamin Browne.

Marriage 2- Md 1729 to Eleanor Sprigg Hilleary Nuthall. Eleanor said to be dau of Thomas Sprigg and Eleanor Nuthall. 1st md to Thomas Hilleary and 2nd md to cousin John Nuthall and 3rd to Rev. George Murdock so has been stated in different sources.

Death and Will info see below:

One internet site by Janie Leuthold on Rev George Murdock, brother of Jeremiah has some info on him. Info from article by William B. Marye, Chairman, Committee on Genealogy and Heraldry, printed in "Maryland Historical Magazine", Vol XXV, entitled "The Murdock Family of Maryland and Virginia", Baltimore, 1930 pg 262-270 that stated Rev Geo Murdock and Capt John Murdock were very closely related. Also pg 270 of this article he states Georges will he mentions his son, William Murdock and his grandsons George, William, George Beale Murdock and Elisha Murdock. Also believe George had a son Benjamin also. This was in a statement in a book by Beverley Fleet, "Virginia Colonial Abstracts, Vol I" pub 1988 pg 580: Benjamine, son of George and Mary, grandson of Benj. Browne 16 Nov 1708.

It is thought George went back to Scotland to become ordained as a minister and he had William while he was there as his birth place has been listed as Scotland. But this could well be wrong as he was ordained in London, England.

Before 1724, First Parish in America was St James Northam, Goochland Co. VA.

Feb 20 1723/24 Ordained a deacon in London, England

His will was dated 14 May 1760 Pr Geo Co. MD and probated 14 May 1761 Pr Geo Co. MD.

Rev George established a home in neighborhood of church in Pr Geo Parish, Pr Geo Co., which he bought from Thomas Beall Jr Oct 1730. Tabitha was listed wife of Thomas Beall.

1742 he was Rector of all Saints at Frederick, Maryland

His will was probated in Pr Geo Co. Maryland. Did he go back to that County before 1760?

His will abstracted in book "Maryland Calnder of Wills 1759-1764" Vol 12 pub 1992 SLC 975.2 P28c 1968 V.12 pg 47: George Murdock, Pr Geo Co. Md 14 May 1760 - 9 Mar 1761

HUSBAND - Rev George Murdock (Continued)

Book "Across The Years" In Prince George County, Maryland pub by Effie Gwynn Bowie has references of Murdocks, some not sure how related but some info on Rev George Murdock.
pg 568-59-70

Rev George Murdock, recorded in Lib T. 669 (L.O.M.) is a letter to the Rev. George Murdock, enclosing his certificate of ordination, March 3, 1737; "The Rev. George Murdock was ordained Deacon by the Rt. Rev Father in God, Edmund, Lord Bp. of London in the Cathedral Church of St. Paul, London, on Sunday 20th day of Feby. in the year of our Lord 1724 and was ordained priest by the Rev. Father on the 29th of same month in the royal chapel at St James in presence of William Powlett, Nto'y. Publ."

In the same Lib. T. fol 673, is recorded a deed dated Aug. 29, 1738 from Thomas Williams to Gerge Murdock, minister and the vestry and their successors, for two acres of a tract of land, Mill Land; this for a chapel in the Prince George Parish, which parish says Scharf, "was erected from St. John's or Piscataway in 1726 and embraced all the territory in the then Prince George's County West of the Eastern Branch of the East fork of the Eastern Branch of the Potomac River, Washington city, Georgetown and the rest of the District of Columbia; part of Carroll and all of Frederick, Washington and Alleghany Counties".

The parish was in that part of Prince George's County which in 1748 became Montgomery County and later the District of Columbia and was and is known as St. Paul's Rock Creek Church in Prince George Parish.

Rev. Mr Murdock established a home in the immediate neighborhood of the church. Thomas Beall, Jr. of Prince George Parish in Prince George's County, planter, for 100 pounds sterling sells to George Murdock, Minister of the Parish above mentioned, a tract of land, Friend's Goodwill, lying in said Parish, "whereupon the said minister doth live". It is bounded by a tract of land belonging to Mr Edward Digges and at a corner of land called Friendship, 150 acres. Tabitha, wife of Thomas Beall acknowledges, etc. 5 Oct 1730 - 25 Oct 1730.

The Rev George Murdock's first charge ws in Goochland County, Virginia. From the Douglas Register, (F. 232.G65. D7. C.L.M., fol 5) we read: "The Dover Church, being the first in Goochland County, was appointed to be built Feb 11, 1720 and cost the parish 54.990 pounds of tobacco; it was 50 feet long, 25 feet wife. Feb 21, 1725 Mr George Murdock received as Minister of this Parish and "was desired to preach at Robt. Carter's on south side of the River and at Maj. Bolling's Quarter on the North side, on the last Sunday in every month successively" 9 Oct 1725, Mr George Murdock, Minister; there were 774 Tithables, assessed at 36 lbs. of Tobacco levied to build a Glebe. In 1727 Mr Murdock was later Rector of All Saints, at Frederick, Md, which parish was created in 1742.

It is thought by some authorities and it would appear so, that the Rev. Mr Murdock married 1728/29, Eleanor, (dau of Thomas Sprigg of Pr Geo Co. MD and Eleanor Nuthall) widow of John Nuthall and earlier, of Thomas Hilleary of Three Sisters. This seems reasonable in view of the several indentures given below, apparently made in anticipation of Eleanor Nuthall's marriage to Rev. Mr Murdock. In Lib. M 263 is found, enrolled by John Pratt, 11 Mar 1727; I, Eleanor Nutahll of Pr Geo Co., widow for natural affection I have for my daughter Eleanor Pratt of same Co, and for other good causes, grant to her a parcel of land Sprigg's Request in Pr Geo Co. to have and to hold same during the natural life of the Rev. George Murdock and after the expiration of the aforesaid Eleanor Nuthall, to be and remain to the aforesaid Eleanor Pratt and her heirs forever dated 9 Feb 1727.

Also recorded at request of John Pratt, 11 Mar 1727: I, Eleanor Nuthall of Pr Geo Co., widow for love and affection for my daughter Mary Nuthall, spinster and for other good causes, confirm to her, a negro and horse Blaze.

(Lib M. fol.368, L.O.M.) "George Murdock and Eleanor his wife, of Prince Geo Co., for love and affection for their daughter Mary Nuthall, of County aforesaid, spinster, and for other good reasons, give her part of a parcel of land, Spriggs Request, 6 Feb 1728/29. Both acknowledge before Jeremiah Belt and Edward Sprigg. Eleanor was "Eleanor Nuthall" when Thomas Sprigg made his will 9 May 1704, proved 29 Dec 1704 (Lib 1 fol 23. W.M.)

Recorded 27 Aug 1741 (Y. 372. L.O.M.) Hilleary Williams acknowledges receipt from George Murdock, his guardian of 60 pds current money before paper money was uses here, in full of his patrimony due from his father Baruch Williams' estate and discharges the said Gerge Murdock and Eleanor his wife and Jonathan Widham and Mr James Magruder and the executors of Mr William Lyles and my mother Mrs. Eleanor Pratt" * and every one of the aforesaid parties engaged for the said money all and everyone of their heirs and administrators and am fully satisfied. dated 22 Apr 1741.

HUSBAND - Rev George Murdock (Continued)

Here again listed heirs from his will which were: son William, grandson George Beall, grandchildren: George Murdock, Priscilla Murdock, Eleanor Murdock and Martha Murdock, daughter Ann Beall, granddau Elizabeth Beall, grandson William Murdock Beall and Elisha Beall and dau Mary Beall, remaining estate to be divided between son William and dau Ann Beall. Son William and grandson George Murdock, executors. 14 Jun 1760 - 14 mar 1761 and wit: Jonathan Nixon, Robert Buchan, Thos. Chittam.

* Eleanor Hilleary dau of Thomas Hilleary, immigrant, widow of Baruch Williams and wife of John Pratt.

Internet site by Janie Leuthold listed William b. 1721 Scotland, and his children listed as: George 1742-1805 Frederick Co., Benjamin 1744-; William b. 1746-; Thomas b. 1748 - 21 Dec 1814, removed to VA before Rev. War settling in Monongalia? Co., served in the 4th Regt Va Rifleman. Name placed on pension roll 21 Sep 1819 and he had died 21 Dec 1814. (his children listed as: Elizabeth b. ca 1800; DAvid ca 1802; Jane ca 1804; John ca 1806 and Thomas ca 1808).

Little more here but no concrete proof of anything. A little more on an article on William Murdock also.

Who were the females Priscilla, Eleanor & Martha Murdock that were in will of Rev. Geo 1760?

Had thought children of William but not listed here anyway. They weren't children of Ann Beall. Nothing is known of Benjamin so could be children of his?

It is thought there was a connection between Jeremiah and Rev. George as brothers but not for sure. Jeremiah and John Murdock were state as brothers in couple documents in Pr Geo Co. MD.

More info on a John Murdock and family in the book "Across The Years In Pr Geo Co"

WIFE - Mary Browne

No name has been located for 1st wife of George but said was mother of Ann. One internet site did listed his wife as Mary Browne, dau of Benjamin Browne, however it didn't list a daughter Ann but did list 2 sons, Benjamin and William but most all other sources have listed Ann as dau of Rev George Murdock and date of birth does fit.

George said to have md again 1729 so she may have died before that. Again not sure of the 2nd mg to Eleanor Sprigg Hilleary Nuthall as dates are very iffy for that to be, yet some sources have stated so.

CHILD 2 - Ann Murdock

Sources for Ann listed her father as Rev. George Murdock but mother not known, 1st wife of Geo.

Children of Nathaniel and Ann listed in Nathaniel's will and also Rev. Geo Murdock 1761 were same.

Has been stated Rev. George Murdock's first wife was Mary Browne dau of Benjamin Browne.

It also was stated Ann was born in Maryland 1717 and a brother Benjamin born before 1708 prob. Scotland and brother William born 1721 in Scotland. So was thought Nathaniel had gone back to Scotland between the births of the frist 2 children and the last one? This is just conjecture as not known for sure if William was born in Scotland. This info was from internet site by Janie Leuthold. Also stating Rev. George Murdock had a brother Jeremiah Murdock. She states she first found this info in an article by William B. Marye, Chairman, Committee on Genealogy and Heraldry, printed in Maryland Historical Magazine, Vol XXV, entitled "The Murdock Family of Maryland And Virginia" Baltimore, 1930 pages 262-270.

In this article mentions George's will where he mentions his son, William Murdock and grandsons, George, William, George Beale Murdock and Elisha Murdock. (In his will he also listed his grandchildren, (of Nathaniel Beall and Ann Murdock Beall).

Also stated here from a book by Beverley Fleet, "Virginia Colonial Abstracts, Vol I" pg 580 stated Benj. son of George and Mary, grandson of Benj. Browne 16 Nov 1708.

No mg record to date of Ann to Nathaniel Beall abt 1740.

Death date of Ann said to be 1804 in Frederick Co. MD. Need to check for will.

CHILD 3 - William Murdock

Info on William Murdock son of Rev. George Murdock and possbily Mary Browne was listed on the internet at a site by Janie Leuthold, as well as other sites, but not sure of his children and wife to date.

This site listed his birth as 1721 in Scotland. Died ca 1775 in Maryland.

William represented Pr Geo Co. in the lower house of the General Assembly from about 1745 to 1770.

He tried to ready the people for the Rev. and he led in resistance to the stamp-act and applying the principles with which he had made the people familiar in the discussion about the proprietary's right to the port duties and to fines

which he had made the people familiar in the discussion about the proprietor's right to the post delivered to them. He tried to ready the people for the Rev. and he led in reference to the stamp not and giving the principles with which he represented R-Geo Co. in the lower house of the General Assembly from about 1745 to 1770.

CHILD 3 - William Murdoch
Info on William Murdoch son of Rev. George Murdoch and possibly Mary Browne was listed on the internet at a site by James Lauriston, as well as other sites, but not sure of his children and wife to date.
This site listed his birth as 1721 in Scotland. Died ca 1775 in Maryland.

Death date of Ann said to be 1804 in Frederick Co. MD. Need to check for will.

No mg record to date of Ann to Nathaniel Beall set 1740.

George and Mary, grandson of Rev. Browne 18 Mar 1708.

She states she first found this info in an article by William B. Marve, Chairman, Committee on Genealogy and History, printed in Maryland Historical Magazine, Vol XXV, entitled "The Murdoch Family of Maryland And Virginia", Baltimore, 1930 pages 282-270.

This info was from internet site by James Lauriston. Also stating Rev. George Murdoch had a brother, Jeremiah Murdoch. The first 3 children and the last ones. This is the conjecture as not known for sure if William was born in Scotland.

Has been stated Rev. George Murdoch's wife was Mary Browne dau of Benjamin Browne.

HUSBAND - Rev George Murdock

Rev. George Murdock was said to be father of Ann Murdock who md Nathaniel Beall. Grandchildren listed in his will were same as Nathaniel and Ann had.

Had thought birth date for George abt 1680 and that would make him 80 years of age at death so maybe the date would be closer to Eleanor who was b. 1669 so he could have been born ca 1680. Will have to go back and check his records as minister for some dates to see if can get right birth year. If Eleanor b. 1669 and several sources have listed his birth date as 1680. Which would make Eleanor 10 years older than he, which would not be unheard of I guess.

Marriage 1- Not located a name for first wife, but said mother of Ann. Sources have listed his first wife as Mary Browne, dau of Benjamin Browne.

Marriage 2- Md 1729 to Eleanor Sprigg Hilleary Nuthall. Eleanor said to be dau of Thomas Sprigg and Eleanor Nuthall. 1st md to Thomas Hilleary and 2nd md to cousin John Nuthall and 3rd to Rev. George Murdock so has been stated in different sources.

Death and Will info see below:

One internet site by Janie Leuthold on Rev George Murdock, brother of Jeremiah has some info on him. Info from article by William B. Marye, Chairman, Committee on Genealogy and Heraldry, printed in "Maryland Historical Magazine", Vol XXV, entitled "The Murdock Family of Maryland and Virginia", Baltimore, 1930 pg 262-270 that stated Rev Geo Murdock and Capt John Murdock were very closely related. Also pg 270 of this article he states Georges will he mentions his son, William Murdock and his grandsons George, William, George Beale Murdock and Elisha Murdock. Also believe George had a son Benjamin also. This was in a statement in a book by Beverley Fleet, " Virginia Colonial Abstracts, Vol I" pub 1988 pg 580: Benjamine, son of George and Mary, grandson of Benj. Browne 16 Nov 1708.

It is thought George went back to Scotland to become ordained as a minister and he had William while he was there as his birth place has been listed as Scotland. But this could well be wrong as he was ordained in London, England.

Before 1724, First Parish in America was St James Northam, Goochland Co. VA.

Feb 20 1723/24 Ordained a deacon in London, England

His will was dated 14 May 1760 Pr Geo Co. MD and probated 14 May 1761 Pr Geo Co. MD.

Rev George established a home in neighborhood of church in Pr Geo Parish, Pr Geo Co., which he bought from Thomas Beall Jr Oct 1730. Tabitha was listed wife of Thomas Beall.

1742 he was Rector of all Saints at Frederick, Maryland

His will was probated in Pr Geo Co. Maryland. Did he go back to that County before 1760?

His will abstracted in book "Maryland Calnder of Wills 1759-1764" Vol 12 pub 1992 SLC 975.2 P28c 1968 V.12 pg 47: George Murdock, Pr Geo Co. Md 14 May 1760 - 9 Mar 1761

HUSBAND - Rev George Murdock (Continued)

Book "Across The Years" In Prince George County, Maryland pub by Effie Gwynn Bowie has references of Murdocks, some not sure how related but some info on Rev George Murdock.
pg 568-59-70

Rev George Murdock, recorded in Lib T. 669 (L.O.M.) is a letter to the Rev. George Murdock, enclosing his certificate of ordination, March 3, 1737; "The Rev. George Murdock was ordained Deacon by the Rt. Rev Father in God, Edmund, Lord Bp. of London in the Cathedral Church of St. Paul, London, on Sunday 20th day of Feby. in the year of our Lord 1724 and was ordained priest by the Rev. Father on the 29th of same month in the royal chapel at St James in presence of William Powlett, Nto'y. Publ."

In the same Lib. T. fol 673, is recorded a deed dated Aug. 29, 1738 from Thomas Williams to Gerge Murdock, minister and the vestry and their successors, for two acres of a tract of land, Mill Land; this for a chapel in the Prince George Parish, which parish says Scharf, "was erected from St. John's or Piscataway in 1726 and embraced all the territory in the then Prince George's County West of the Eastern Branch of the East fork of the Eastern Branch of the Potomac River, Washington city, Georgetown and the rest of the District of Columbia; part of Carroll and all of Frederick, Washington and Alleghany Counties".

The parish was in that part of Prince George's County which in 1748 became Montgomery County and later the District of Columbia and was and is known as St. Paul's Rock Creek Church in Prince George Parish.

Rev. Mr Murdock established a home in the immediate neighborhood of the church. Thomas Beall, Jr. of Prince George Parish in Prince George's County, planter, for 100 pounds sterling sells to George Murdock, Minister of the Parish above mentioned, a tract of land, Friend's Goodwill, lying in said Parish, "whereupon the said minister doth live". It is bounded by a tract of land belonging to Mr Edward Digges and at a corner of land called Friendship, 150 acres. Tabitha, wife of Thomas Beall acknowledges, etc. 5 Oct 1730 - 25 Oct 1730.

The Rev George Murdock's first charge ws in Goochland County, Virginia. From the Douglas Register, (F. 232.G65. D7. C.L.M., fol 5) we read: "The Dover Church, being the first in Goochland County, was appointed to be built Feb 11, 1720 and cost the parish 54.990 pounds of tobacco; it was 50 feet long, 25 feet wife. Feb 21, 1725 Mr George Murdock received as Minister of this Parish and "was desired to preach at Robt. Carter's on south side of the River and at Maj. Bolling's Quarter on the North side, on the last Sunday in every month successively" 9 Oct 1725, Mr George Murdock, Minister; there were 774 Tithables, assessed at 36 lbs. of Tobacco levied to build a Glebe. In 1727 Mr Murdock was later Rector of All Saints, at Frederick, Md, which parish was created in 1742.

It is thought by some authorities and it would appear so, that the Rev. Mr Murdock married 1728/29, Eleanor, (dau of Thomas Sprigg of Pr Geo Co. MD and Eleanor Nuthall) widow of John Nuthall and earlier, of Thomas Hilleary of Three Sisters. This seems reasonable in view of the several indentures given below, apparently made in anticipation of Eleanor Nuthall's marriage to Rev. Mr Murdock. In Lib. M 263 is found, enrolled by John Pratt, 11 Mar 1727; I, Eleanor Nutahll of Pr Geo Co., widow for natural affection I have for my daughter Eleanor Pratt of same Co, and for other good causes, grant to her a parcel of land Sprigg's Request in Pr Geo Co. to have and to hold same during the natural life of the Rev. George Murdock and after the expiration of the aforesaid Eleanor Nuthall, to be and remain to the aforesaid Eleanor Pratt and her heirs forever dated 9 Feb 1727.

Also recorded at request of John Pratt, 11 Mar 1727: I, Eleanor Nuthall of Pr Geo Co., widow for love and affection for my daughter Mary Nuthall, spinster and for other good causes, confirm to her, a negro and horse Blaze.

(Lib M. fol.368, L.O.M.) "George Murdock and Eleanor his wife, of Prince Geo Co., for love and affection for their daughter Mary Nuthall, of County aforesaid, spinster, and for other good reasons, give her part of a parcel of land, Spriggs Request, 6 Feb 1728/29. Both acknowledge before Jeremiah Belt and Edward Sprigg. Eleanor was "Eleanor Nuthall" when Thomas Sprigg made his will 9 May 1704, proved 29 Dec 1704 (Lib 1 fol 23. W.M.)

Who were the females Priscilla, Eleanor & Martha Murdock that were in will of Rev. Geo 1760?

Nothing is known of Benjamin so could be children of his?

It is thought there was a connection between Jeremiah and Rev. George as brothers but not for sure. Jeremiah and John Murdock were state as brothers in couple documents in Pr Geo Co. MD.

WIFE - Eleanor Sprigg

Sources from Salt Lake City library and internet listed Eleanor as dau of Capt Thomas Sprigg Sr and Eleanor Nuthall. Dissagree on some info however.

Birth listed as 1669 prob. MD.

Eleanor married 1st to Thomas Hilleary ca 1680

Eleanor married 2nd to cousin John Nuthall ca 1699.

Eleanor married 3rd to Rev. George Murdock in 1729 Several sources don't list this marriage and few sources do. In one source had been stated Eleanor died 9 Feb 1727/28 Prince Geo Co. Md. and she md Rev. Geo in 1729 herein lies the descrepinsey. I would guess by now with research located this was closer to a 3rd marriage date then her death.

Death was after 1741 if last marriage date is correct but before 1761 as not listed in will of Rev. George Murdock.

Book "Clapp Family" by Richard Dwight Prall stated Eleanor died after 22 Nov 1741 so if that date is right she could have md a 3rd time and maybe the 1727/9 date was a marriage date as that is when was said she md the 3rd time. George Murdock d. 1761.

Much info on Rev. Geo Murdock and his wife Eleanor Sprigg Hilleary Nuthall so the death date of 1729 is not right but she apparently did die before George did in 1761 as she was not listed in his will.

This from the book "Across The Years" in Pr Geo Co. (see under Rev. George Murdock for sources)

3 children listed for Eleanor and Thomas Hilleary. Then in some documents by Eleanor Nuthall was listed a daughter Mary Nuthall, spinster daated ca 1728/29 for land to have till death of Rev. Geo Murdock.

His son George born in 1742 died in 1805 was a memboer of the Committee of Observation and Correspondence for Frederick Co in 1775 and during the Rev. occupied that post of danger and responsibility until the organization of the state government in Mar 1777.

HUSBAND - Nathaniel Beall

Different sources for Nathaniel Beall b. 1690/or 1699, son of James William and Sarah Pearce Beall. This source says he md Elizabeth Brooke but could have md 2nd to Ann Murdock.

Other source listed parents as Alexander and Elizabeth Buckerfield Beall.

From some info believe he was the son of James and Sarah Pearce Beall.

Several differen birth dates for Nathaniel as well from 1690 to 1717.

Marriage to Elizabeth Brooke not located to date. If married 1st would have been ca 1724

Marriage to Ann Murdock not located to date. Ann Murdock and Nathaniel Beall's children were listed in will of Rev. George Murdock 1761 as grandchildren so know one Nathaniel md Ann Murdock.

Married abt 1740 to Ann.

Death for Nathaniel Beall listed as 1757 Frederick Co. MD and his will was listed there and listed wife Ann and their children (same listed as grandchildren in Rev. Geo Murdock's will). Will 20 Jun 1757 written -20 Nov 1757 probated. Annapolis Hall of Records has will Bk 30 p575

Internet sources had listed Nathaniel md first to Elizabeth Brooke ca 1724. Elizabeth b. 23 Nov 1707 d. 1774? Their children were listed as Basil 1725, Elizabeth 1728, James 1732, Roger Brooke 1734, and Mary and Ann. Here Nathaniel b. 1699. I would believe we have 2 differen Nathaniel's here? But need much more research to be sure.

The Beall's were said to have come from St Andrews parish, Fifeshire, Scotland.

Internet site by Charlie Dee Taylor on rootsweb.com has James Beall 1700- son of Alexander Beall & Elizabeth Coombes md to Sara Pearch with 7 children and the son Nathaniel b. 1721.

Internet site by John Wood on rootsweb.com has Nathaniel Beall b. 1699 d. 1757 son of James Beall 1752 Scotland and Sarah Pearce 1653-1682 md 1st Elizabeth Brooke ca 1720. Listed 4 children: Basil, Elizabeth, James, Roger Brooke Beall and 2nd md ca 1718/1749 to Ann Murdock and listed the same 5 children we know from the will. This site also listed Mary Beall 1744- ? md Ralph Hilleary b. 1740.

HUSBAND - Nathaniel Beall (Continued)

"Descendants of Alexander Beall" 1649-1744 Immigrant to Maryland by Roberta Hull 929.273 B366h
Somewhat different info the other sources. This Alexander said to have md firs? and 2nd Elizabeth Buckerfield after 1690 in MD. She died before 1743. Their 5 children listed as William, Ninian, John, James, Ruth. John's line carried on here.

Pg 8-29 listed Nathaniel Beall ca 1715-1757 Frederick Co. Md md Ann Murdonck ca 1717-1804 Frederick Co. Md. with their 5 children that we know. Mary md to Ralph Hilleary, son of William Hilleary and Margaret Crabb according to DAR and on son listed Levi d. after 1818. Gave children of these 5 also. NEED pages 1 thru 8 to find out the parents that were listed for this Nathaniel here?

"The Crabb Family" Vol II by Richard Dwight Prall pub 1997 929.273 C84P V.2 pg 901-906

This line is listed as Alexander Beall md Margaret Ramsey, son Alexander Beall md Elizabeth ?. and they had Nathaniel b. 1690 d. 1757 md to Ann Murdock, dau of Rev. Geo Murdock. Nothing more on Nathaniel here.

"Colonial Settlers of Pr Geo Co. MD" by Elise Greenup Jourdan pub 1999 975.251 D2je pg 19-25

Several Bealls listed with some info. James Beall w/wife Sarah listed son Nathaniel. James will believe listed as 1725 thru 1728 and 8 children unnamed. Then Nathaniel Beall, of competent age; chosos William Beall, Sr. as guardian Aug 1725 PGCR L.486 (Ed note- Nathaniel son of James)

There was also listed James Beall, dec'd, widow Sarah Haswell (w/o Dr John) sons RObert and Joseph, tract Layhill 21 Dec 1736. (this land was listed in estate of James d. 1725).

Also some of the children listed mother and others to be guardian and listed their ages.

Other mention of a Nathaniel Beall, wife Elizabeth: sons James, Roger 1740 (MCW VIII.87)

Pg 21: Listed Nathaniel son of James Beall to received tracts Easy Purchase, The Addition 2 May 1729 (PGLR M.4260 with John (wife Elizabeth)).

Vol II pg 128: Will of William Beall Frederick Co. MD 18 Jan 1756 Wife Elizabeth and children listed. One Nathaniel Beall SR listed as Wit. Bk 30 pg 71.

Internet site Sheri located on "Descendants of Alexander Beall" listed Nathaniel son of James and Sarah Pearce, James son of Alexander. b. 1699 d. 1757 md 1st Elizabeth Brooke and 2nd Ann Murdock. Only thing different here is stated Nathaniel died without a will but his brother Robert Beall Jr planter of St Geor'es Parish of Pr Geo Co. Md left a will probated 15 Jul 1740 and in his will he left to Elizabeth Beall, wife of Nathaniel a bed tick bolster and bed clothes, and one hogshead of tobacco weighing 900 pds. To James and Roger Beall, sons of Nathaniel Beall he gave two cows and one yearling. We are pretty sure we have the will of this William in 1757 Frederick Co. which listed his wife Ann and children (but no James or Roger) so not sure who this is referring to as there weren't that many Nathaniel Bealls. Here is listed Nathaniel and Ann's children: George W., William Murdock, Elizabeth, Elisha, Charles and Mary Beall who was said to have died 9 Apr 1822. Charles b. ca 1749 not listed in will of this Nathaniel.

So the James and Roger referred to may have been children of Nathaniel and Elizabeth Brooke and just after that Nathaniel md Ann Murdock ca 1740.

WIFE - Ann Murdock

Sources for Ann listed her father as Rev. George Murdock but mother not known, 1st wife of Geo.

Children of Nathaniel and Ann listed in Nathaniel's will and also Rev. Geo Murdock 1761 were same.

Has been stated Rev. George Murdock's first wife was Mary Browne dau of Benjamin Browne.

It also was stated Ann was born in Maryland 1717 and a brother Benjamin born before 1708 prob. Scotland and brother William born 1721 in Scotland. So was thought Nathaniel had gone back to Scotland between the births of the frist 2 children and the last one? This is just conjecture as not known for sure if William was born in Scotland. This info was from internet site by Janie Leuthold. Also stating Rev. George Murdock had a brother Jeremiah Murdock. She states she first found this info in an article by William B. Marye, Chairman, Committee on Genealogy and Heraldry, printed in Maryland Historical Magazine, Vol XXV, entitled "The Murdock Family of Maryland And Virginia" Baltimore, 1930 pages 262-270.

Another source said he was buried near Cresaptown which is about 6 miles south by little west of Cumberland. So both could be right. Will or abstract of Ralph ca 1823 in Allegany Co. MD.

Joseph P. Hilleary, adm of estate of Ralph C. Hilleary of Allegany Co. MD. Dated 13 Sep 1825. Dividends paid to representatives of W. Hilleary, Levi Hilleary and Nancy Scott, wife of J. Scott. (Ann was wife of John Scott). (prob. located abstract of will)

The will of daughter Ann Scott in 1844 Allegany Co. MD listed two nieces as two daughters of Richard Jacobs, dec'd. as Sarah Ann Jacobs Davidson and Mary Ann Jacobs Hurn McCloud

It has also been stated Ralph and Mary had Levi and William and Ann besides Eleanor who md Richard Jacobs.

"Prince George Heritage" by Md Hist Soc. listed info on families of Crabb, Beall, Murdock and Lowe. No specific mention of Ralph Crabb Hilleary. These all related to the Hilleary line except the Lowe.

Info from the book "The Crabb Family" p196-97 has much same info on family as other sources.

During the Rev. War Ralph Crabb Hillary served as capt. of the 2nd co. 33rd Batt of the MD militia of Fred. Co. under Col. Charles Beatty. The muster roll at Bash, Ridge, East New Jersey on 3-3-1777, listed the following men who may fit in the Crabb and allied families: Capt Ralph Hillary, Sg. Elijah Griffith, Zacock Grifith, William Hillary, James Plummer, Abraham Monnet, Thomas Smith. Earlier on 11-29-1775, Ralph Hillary was a 1st Lt. in Capt. Samuel Plummer's Co. of Fred Co. Md. (Monnett 1911 p427-428).

A Ralph Crabb swroe to uphold the government of Fred Co. as deputy collector on 7-16-1781 (Monnette 1911 p401).

Ralph Crabb Hillary owned 100 a of land called "Sugar Loaf" in Fred. Co. MD, near Harper's Ferry in 1768, 1769, 1771, 1773. Ralph and wife Mary sold land on 11-8-1781 Fred. Co. to John Christian Messing. The original deed was recorded in VWR.10p344 and noted in court on 7-20-1908 (question this date?)

A Ralph Hillary of Fred Co. sold to Dr John Christian Mossing on 11-8-1791 part of 100a "Resurvey on the Sugar Loaf" for 150 pounds. Father, William Hillary had ddeded the property to Ralph on 2-4-1765 (Bk J p1043); the deed was

WIFE - Mary Beall

Most sources from Salt Lake City library and internet listed her md to Ralph Crabb Hilleary.

Most stated she was dau of Nathaniel Beall and Ann Murdock. Ralph and Mary's children were listed as grandchildren in will of Rev. George Murdock 1761 Pr Geo Co. MD so believe that is correct. Their children has been listed as Eleanor who md Richard Jacobs, Ann who md John Scott and Levi who d. after 1818 and William also has been listed as child.

Not located marriage record to date but has been stated md 9 Mar 1760 in MD.

Death has been listed as 1822 but not sure what county in Maryland. Believe they were living in Allegany Co. MD as that is where her husband died in 1823. Also said buried in Hilleary cem, 4 miles South of Cumberland, MD at age 76.

"Descendants of Alexander Beall 1649-1744" pg27 has very little on Mary other then b. ca 1743 d. 1822 and md ca 1760 Ralph Hilleary 1740-1823 son of William Hilleary and Margaret Crabb (DAR record) Listed one son Levi Hilleary died after 1818.

William Hilleary

Died at his residence about 8 miles from this place on morning of Wednesday 6th. William Hilleary Esq. aged abt 56 years, resident of this county for many years. (b. 1768) Dated 11 Oct 1824.

The inventory of William Hillary was taken 9 Nov 1825. Joseph P. Hillary adm. the will of Wm Hillary of Allegany Co. on 10 May 1825. The estate received money from Thomas Monnett; pd. a third to Mrs M. Hilleary; a dividend to Joseph P. Hillary and to Matilda Ann, the wife of Jacob Fechtig.

His wives death notice in same paper as was marriage of daughter Matilda.

Internet site: www.angelfire listed 4 children for William and Margaret which were: Matilda Ann, Fechtigg, James William and Ralph Crabb Hilleary.

Another source listed children as: Matild Ann, Joseph Perry, Ralph Crabb and Osborn Hilleary. Which is right? Another source listed same children except Osborn and mothers will listed son James William.

Info from the book "The Crabb Family" by Richard Dwight Prall pub 1997 pg 197 listed info on William, wife and 4

children here. Also info on land in Allegany Co. Md. Believe these documents belong to this William: William Hillary patented the following land in Allegany Co: 31 A "Walnut Hollow" on 8 May 1804; three 50A lots on 8 May 1804; 1 1/4A "Slip" 3 Jan 1815; 15 1/4A "Small Gain" 2 Jan 1815 and resurveyed the previous patents plus 112A. "Luck" 50A "Venture" and additional land into one tract of 617 1/8A "Luck Valley" on 7 Jan 1815.

CHILD 2 - Eleanor Hilleary

BIRTH: Birth date for Eleanor listed as 26 Jan 1766.

PARENTS: It is believed her parents were Ralph Crabb Hillary, son of William, son of Thomas, son of Thomas, son of Chamberland Hillary. Ralph married Mary Beall, dau of Nathaniel Beall & Ann Murdock and their children were listed as: Eleanor Hillary Jacobs, William Hillary, Ann Hillary Scott and Levi Hillary. Where does Matildah Fechtig, wife of Jacob Fechtig with son Levi Fechtig as Ann's nephew fit in? Also who was William Murdoch Beall. Levi Fechtig, Levi Hillary, for sure living in 1844 according to Ann Scott's will. The parents names were from the internet and others from Ann Scott's will.

One Jacob Fechtig, youngest son of Christian Fechtig of Hagerstown md to Miss Matilda Ann Hilleary, only dau of the late William Hilleary Esq. of this county. DAted 7 Mar 1825 Appears Ann's brother was this William Hilleary Esq.

Sources located in Salt Lake City and internet seems to list parents of Ralph as William and Margaret Crabb Hilleary and his father Thomas and Eleanor Young Hilleary and his father Thomas and Eleanor Sprigg Hilleary. No mention of a Chamberland Hilleary here.

Eleanor's mother Mary Beall has been listed as dau of Nathaniel Beall and Ann Murdock. Their children were listed as grandchildren in the will of Rev. George Murdock so that appears to be correct.

Mrs Margaret Hilleary, relict of the late Wm Hilleary Esq of this co. died in the town of Allegany, Washington Co. MD (paper 16 Aug 1828) at home of son in law Jacob Fechtig, monday last. She has left 2 children and several grandchildren and numerous circle of relations in this, Frederick and Montgomery Co. (Newspapers of Allegany, Washington Co. MD) (wife of brother William)

11 Oct 1824: Died at his residence abt 8 miles from this place on morning of Wed. 6th int. William Hilleary Esq aged abt 56 yers, res of this county fom many years. (born 1768) (From Newspapers of Allegany, Washington Co. MD.) (Brother of Eleanor)

Also from Papers of Allegany, Washington Co. MD dated 21 May 1829: Died Sun morning last of his residence near Cresap-town, in this county, Jospeh P. Hilleary in the 37th year of his age. Leaving wife and 4 small children. (born 1791) WHO?

Also a book "Names In Stone" Frederick Co. MD Vol 1 by Holdcroft: Henrietta Johnson dau of Joseph A. and Eleanor Hilleary buried Mt Olive Cem. #200 (DATES?)

Also from internet on IGI files was listed Eleanor Hilleary as dau of Henry Hilleary and Cassandra Magruder. Eleanor born ca 1759 MD and md Richard Jacobs 1789. (This I'm guessing is wrong-GLT)

MARRIAGE: Eleanor Hilleary to Richard Jacobs Listed at the German Reformed Church, Frederick, Frederick Co. MD. On the internet and also from a book "Marriage Licenses of Frederick Co. MD 1778-1810" by Margaret E. Myers.

DEATH: I believe she died before 1824 sometime as Richard Jacobs in his will of 1824 listed wife as Sarah. Internet listed wife as Sarah Hillery. Could have been just before 1820 also.

1790 Richard Jacobs in Frederick Co. MD need to check census for this info.

I first found reference to the relationship of John, Jeremiah and George in an article by William B. Marye, Chairman, Committee on Genealogy and Heraldry, printed in Maryland Historical Magazine, Volume XXV, entitled "The Murdock Family of Maryland and Virginia.," Baltimore, 1930: Pages 262-270. Mr. Marye states that "Reverend George Murdock and Captain John Murdock were very closely related." I have found other information which supports this. On page 270 of his article, Mr. Marye states, "In it (George's will) he mentions his son, William Murdock, and his grandsons George, William, George Beale Murdock and Elisha Murdock. (Cary Papers, folder 68.) Mr Cary was of the opinion that, in addition to his son William, he had a son Benjamin Murdock."

I did find supporting evidence for this in a book by Beverley Fleet, Virginia Colonial Abstracts, Volume I, (Genealogical Publishing Co., Inc., Baltimore, 1988), Page 580, Benj: Son of Geo and Mary. Grandson of Benj **Browne**. 16 Nov 1708.

Therefore, I have deduced from the information that I have gathered, the following:

REVEREND GEORGE MURDOCK:

Bef. 1724, First Parish in America was St. James Northam, Goochland County, VA

February 20, 1723/24, Ordained a deacon in London, England

Probate: May 14, 1761, Prince George's County, MD

Will dated May 14, 1760, Prince George's County, MD

Children of GEORGE MURDOCK and MARY **BROWNE** are:

- i. BENJAMIN MURDOCK, b. Bef. 1708.
- ii. WILLIAM MURDOCK, b. Abt. 1721, Scotland.

I guess that George went back to Scotland to become ordained as a minister and had William while he was there, but I have nothing to support this information.

I know nothing about Benjamin.

I do not know who this William married, but I believe his children to be as follows:

George b 1742 - 1805 Frederick Co

Benjamin b 1744

William b 1746

Thomas b 1748 - Dec 21, 1814 removed to Virginia before the Revolutionary War settling in

Monongalia? County served in the 4th Regt Va Rifleman. Name placed on pension roll Sept 21, 1819, but he had died Dec 21, 1814

Elizabeth b abt 1800

David b abt 1802

Jane b abt 1804

John b abt 1806

Thomas b 1808

Joseph - moved to Virginia after the Revolutionary War, little if anything can be obtained about his son. If this is a son of William, then following the birth pattern of every two years, he would have been born about 1750. (Note: There is also a marriage record for Joseph Murdock who married Martha Lee in Washington County, Va. Could they have had a son, William M. Murdoch born 1828? It would not be this Joseph, not if he was born in 1750/52. Perhaps, it was this Joseph's son.)

Jane - If this is a daughter of William, then following the birth pattern of every two years, she would have been born about 1750/52.

I also think there is a Barbara in there somewhere - she married Andrew Bruce, but I am not sure where she fits in.

I do not have much, if any, supporting evidence for this William's children.

John's William was born about 1710 (possibly as early as 1701 according to one source. I have deduced that John was born about 1680 so this is possible). There is much written about this William and this is the one that married Anne Addison and then Margaret Dulany. He married around about 1727, from what I can gather, and then Margaret Dulany on January 1, 1757.

I hope this helps. It is about all I have or have guessed. If you have anything to share, please do.

Remember I am descended from Jeremiah and a lot of what I have gathered on his brothers is in hopes of finding my way back farther.

Good luck.

William Murdock

MURDOCK, William, patriot, born in Scotland about 1720; died in Maryland about 1775. His father, Reverend George Murdock, was appointed rector of Prince George county, Maryland, by Lord Baltimore, in 1726. The son represented that county in the lower house of the general assembly from about 1745 until 1770. This house was the fortress of popular rights and of civil liberty during the whole existence of the colony. Its resolutions and messages, beginning in 1733, and in an uninterrupted chain until 1775, continually declared " that it is the peculiar right of his majesty's subjects not to be liable to any tax or other imposition but what is laid on them by laws to which they themselves are a party." These principles were asserted in what were called the standing resolves of the lower house on 31 May, 1750, and were reiterated and recorded upon the journals of every assembly until 1771. This public discussion of first principles was of the greatest importance in preparing the people for the Revolution. The resolutions, addresses, and messages of the lower house during this period discuss with remarkable fulness and accuracy, considering the period at which they were produced, the fundamental principles of free government, and most of them emanated from William Murdock, who was one of the leading spirits and the directing force of the discussion. " A very able and elaborate report, made in 1765, on the subject of the proprietary's title to these fines and forfeitures, by William Murdock, a delegate from Prince George county," says John V. L. McMahon, " is a state paper which would reflect honor on any man or any assembly." he led in resistance to the stamp-act, and applying the principles with which he had made the people familiar in the discussion about the proprietary's right to the port duties, and to fines and forfeitures, he easily united them in solid resistance to that attempt to levy taxes and imposts

without their consent.--His son, George, born in 1742; died in 1805, was a member of the committee of observation and correspondence for Frederick county in 1775, and during the Revolution occupied that post of danger and responsibility until the organization of the state government in March, 1777.

History of Christ Church

Formed in 1739, Christ Church is the enduring core church of colonial Prince George's Parish. The parish dates from 1726, an offspring of one of the original southern Maryland parishes, which at the outset served a very extensive but sparsely populated frontier area of central and western Maryland. The Reverend George Murdock, a Marylander ordained in London's St. Paul's Cathedral in 1724, was our first rector.

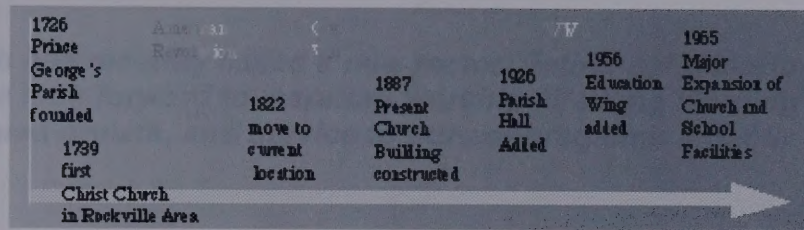

Our first church sanctuary was a clapboard and log chapel located one mile from the present building on the banks of Rock Creek (the grounds of today's Rockville Cemetery). In 1808, the chapel was replaced by a brick building and was consecrated by Thomas Claggett, the first Episcopal bishop consecrated on American soil. Christ Church later became the Parish home church when Rock Creek Parish was established in the District of Columbia.

As the town of Rockville grew, the parishioners decided to move the church "downtown" to its present location in 1822. During the Civil War, parishioners were divided between slave holders and Unionists. Even with this division, Christ Church was a local stop on the Underground Railway. During a local skirmish, all of the Vestry members were taken hostage and force marched, by the Confederate General J. E. B. Stuart, 20 miles to another town where they were released unharmed.

In 1884 when gothic revival architecture was near its peak, construction began on the present building, using the site and materials of the 1822 Church. Work was completed in 1887. A parish hall was constructed in 1926, which provided a gathering place for plays, concerts, operettas and community meetings. In 1956, the hall was enlarged and new Sunday School facilities were built. The last major expansion during the mid-1960's trebled the worship space and added new classroom space.

The 1960's expansion marked several keystone decisions. First, we decided to remain in downtown Rockville rather than move out to the far suburbs -- keeping us the home church to the evolving and complex center of town. Second, it cemented our partnership with Christ Episcopal School, which shares our space and our mission. The School's presence reflects the high priority we have placed on Christian education over the years. This priority is also reflected in a continuing strong Sunday School and in a wide range of adult education programs.

Originally a part of the Diocese of Maryland, our parish became part of the Diocese of Washington when it was created in 1896, in company with other Maryland parishes adjoining the District of Columbia and extending into southern Maryland. Membership in this diocese brings us into Christian fellowship with a wide range of peoples and settings, from rural southern Maryland, to the inner city and suburbs within Washington, D.C., to the busy metropolitan area small cities like our own.

Prince George's Parish has been a mother church for new parishes and mission churches. Ascension Parish in Gaithersburg was our latest parish spin-off in the 1950's. Families from Christ Church were instrumental in initiating St. Nicholas mission. Christ Church has also taken a leadership role in ecumenical activities for at least thirty years, particularly under the encouragement and guidance of our Rector Emeritus, Father Elwyn Brown. Several years ago, one of our Assistant Rectors, Betsy Hague, was consecrated jointly by Episcopal and Lutheran bishops -- a significant event in Christian unity.

Worship through music has been another emphasis at Christ Church. For over a century, our choirs have provided leadership in Sunday worship through the singing of psalms, hymns, canticles, service music, and anthems. In 1919, we invested in our first pipe organ. In the 1950's our rector, Father Raymond Black, introduced the practice of chanting major portions of the liturgy (and also directed parish productions of Gilbert and Sullivan operettas). During the 1970's, annual choir concerts included Bach cantatas, Requiems by Faure and Rutter, Britten's St. Nicholas and Noye's Fludde, and the Stravinsky Mass. Recent custom has seen the incorporation of major works of the liturgical repertoire within the celebration of Sunday Eucharists several times a year.

While we are often seen (and see ourselves) as a church of traditional practices, we have done much to move to meet changing times and parish needs. We have transitioned smoothly to the new editions of Prayer Book and Hymnal. We have introduced a strong

and growing lay ministry. Women joined our vestry in 1970. We welcomed our first woman priest, Mother Eleanor Biscoe, in 1990. We have hosted a number of seminarians, including several from Africa. Our worship services have adapted to a changing congregation, while still holding to their Prayer Book foundation. We have welcomed persons of many ethnic, economic, faith, and racial backgrounds. Also, we have opened our doors and our hearts to the spiritually and physically needy of our community in a number of ways. We have a foundation of accomplishment in working to fulfill our mission statement.

Christ Church has recently called a new rector, Father John McDuffie. Under his leadership, we look forward to inspiring worship, life-long learning for young and old, continued growth, and service to our congregation and our community.

I first found reference to the relationship of John, Jeremiah and George in an article by William B. Arvey, Chairman, Committee on Genealogy and Heraldry, printed in Maryland Historical Magazine, Volume XXV, entitled "The Murdoch Family of Maryland and Virginia," Baltimore, 1930. Pages 262-270. Mr. Cary was of the opinion that, in addition to his son William, he had a son Benjamin Murdoch."

I did find supporting evidence for this in a book by Beverley Fleet, Virginia Colonial Abstracts, Volume I (Genealogical Publishing Co., Inc., Baltimore, 1958), Page 580. Rev. Son of Geo and Mary Grandson of Hans Browne. 18 Nov 1708.

HUSBAND - Thomas HILLEARY I-435

Sources from Salt Lake City library and internet listed Thomas Hilleary md to Eleanor Sprigg. Parents not listed to date.

Birth listed as 1640 England probably in Norfolk or Suffolk, England. Other source listed birth as 1620 Danbury, (Essex), York, England so not sure which is right.

Marriage1: 1st wife is not known to date. Believe he had 6 children by her. Other source said md 1st by 1640.

Marriage2: listed as ca 1684 to Eleanor Sprigg, believe had 3 children by 2nd mg.

Death listed as 1697 Prince Geo Co. MD. His will listed a large estate. Wife Eleanor 250 ac, part of "Three Sifers", son John and heirs 400 acres part of same tract, 2 grandsons, Baruch and Thomas Williams 100 acres east of same tract, daughter Mary Berry, dau Elizabeth Lyles, dau Francis Wilson, Belinda (Verlinda) and Tabitha Hilleary at 16 yeras of age to received all personal estate formerly belonging to Baruch Williams and son Thomas as executor. Thomas also gave 1 acre land for All Saints church in Calvert Co. MD. 11 Nov 1711 open court was named family of Mr Hilleary should have a pew in the church.

Son Thomas was listed as executor and if correct the son Thomas from 2nd mg was born abt 1685-6 so he wouldn't have been old enough to be an executor so wonder if the info is turned around and our direct line comes from the 1st marriage son Thomas instead of 2nd????? If that is the case there is NO CONNECTION TO THE SPRIGG LINE. Also had been stated the first Thomas died 1681 and other sources listed he died young, which would have been before the father or his second marriage. I still don't see how an 12-13 year old boy would be listed as an executor.

A little different info from "Colonial Famileis of the US" by George Mackinsize pub 1966 Vol 2 pg 318 List children by 1st md as Thomas d. 1681 , John, a dau d. prior to 1695 md Barruch Williams. Listed children from 2nd md as Thomas, Verlinda and Tabitha.

Lineage from this line listed Thomas Hilleary, planter, prob. born in Norfolk or Suffolk, England and d. Feb 1697 in Prince Georges Co. in the Province of Maryland. Not sure when he came but was in 1659/60 as in land warrant issued by the Provincial Land Office on 2nd May 1661. In 1663 Thomas Hilleary patented a tract of 1050 acres of land, which he called "Three Sisters," then situated in Calvert Co., near the present town of Hyattsville in Prince Geo Co. and in 1665 he patented a tract called "Brandford". He was HIgh Sheriff of Prince Geo Co. in 1696. He was also one of the protestant citizens of Calvert Co. who signed 20 Aug 1689 a protest to the inhabitants of said county against the surrender of the magazine of arms and the records of the Province to certain parties and against the calling of an assembly by them before a warrant therefor should be received from King William and Queen Mary.

He married twice, the name of his first wife is unknown but he married about 1684 second to Eleanor Sprigg, dau of Capt. Thomas and Eleanor (Nutthall) Sprigg, dau of John Nutthall of Saint Marys Co. MD. Thomas HILLEary's second wife survived him and became the wife of her cousin, John Nutthall, Jr. (deed in 1701 Pr Geo Co. Liber A, folio 357) (GLT- some sources had said she md Rev Geo Murdock as a 3rdd wife but dates don't fit that if death date was 1728, if 1741 then would)

Thomas Hilleary left a will dated 7 Feb 1697 and probated 15th Feb 1697 and recorded in Liber K, folio 321 Provincial Wills of Maryland, whereby he disposed of a large estate.

Other sources had listed children: Thomas, Francis, John, Elizabeth, Mary & Eleanor 1st mg and Thomas, Verlinda and Tabitha from 2nd. One source did list Zerlinda from the 1st mg also.

HUSBAND - Thomas HILLEARY I-435 (Continued)

Another source stated he came to United States by 1639.

"Three Sisters" granted 2 May 1661 to Thomas Hilleary. Surveyed Jan 1683 for Thomas Hilleary of 1050 acres.

His land was patented 1663 of 1050 acres in Calvert Co MD, which is now in Prince George Co., near Hyattsville, MD.

Also stated Thomas I gave 1 acre land for All Sains Church in Calverty Co. Md and in open court 11 Nov 1711 was named family of Mr Hilleary should have a pew in the church.

One internet site: www.angelfire.com/ma3/mdmaolone/hilleary.htm has some same info but also some different info. Not sure which is right to date. Will have to do more research.

This starts out with Desc. of Chamberland Hilleary who was born in England and had a son Thomas b. 1620 Danbury, Eng d. 1697 Calvert Co. MD Buried Prince Geo Co. MD. Also stated her he md Eleanor Unknown 1st 1650 Calvert Co. MD and md 2nd Eleanor Sprigg 1684 Calvert Co. MD (and also listed 3rd md to Mary in 1684 Calvert Co. MD) We know Eleanor died after 1729 so not sure abt that.

Stated Thomas Hilleary the immigrant: Served as Lieutenant Colonel of the Calvert Co. Militia before 1697 and in 1696 was the "High Sheriff of Prince George Co. Md"

He came to Maryland in 1639. In 1663 planted (patented) 1,050 acres of land called "Three Sisters" Located in formerly Calvert, now Prince George Co. near the town of Hyattsville, MD.

Stated following info from S.Johnston: Thomas Hilleary came from England to Maryland about 1660. On 2 May 1661 John Bateman "Demandeth 600 acres for transporting a group of 12,, including Thomas Hilleary" It is believed Thomas payed his own way to be able to get land. Three Sisters land was in present day Washington DC, originally part of Calvert Co.. He also acquired "Branford" & "The Farme" lands. Prince George Co. formed from Calvert Co. in 1695.

Thomas donated land for All Saints, an historic old Episcopal church of upper Calvert Co., at present day Sunderland.

He had a large estate and recorded P.G.Co WB7:321, Hall of Records. His land divided among his children. Young Thomas Jr. was named executor.

Children of Thomas and Eleanor Sprigg were listed here as: Thomas Hilleary b. 1686 d. 1718 (will of this Thomas in 1728) md Eleanor Young; Francis b. 1646 md unknown Wilson (this was before they md). Tabitha b. 1650 md Thomas Beall; Verlinda b. 1648 (both born before md); John, Elizabeth; Zalinda b. 1684; Mary b. 1678 at Three Sisters, MD; Eleanor Hilleary.

Next family listed Thomas and Eleanor Young and their childrens info differs some as well, mostly birth dates. From there on down much same as what had located in other sources but maybe some of the dates differ a little. Other facts seem to be about the same-GLT.

Notes	HUSBAND - Thomas HILLEARY I-435 (Continued) Thomas and families. pg 456-470. Much same info as from other sources. Here is listed 6 children from 1st mg and 3 from Eleanor Sprigg marriage. Book "The Crabb Family" Vol 1 by Richard Dwight Prall pub 1997 Salt Lake City, Utah pg 256-263 Also stated here that Monnette believed that the Hilleary immigrants were Huguenots from France. There are commemorative engravings around the walls and on the columns of the Huguenot Memorial Church on Staten Island to honor various Huguenot families who settled in America. On the wall to the right of the altar is an engraving in the stone wall to the Monnet family and within a few feet of each other in this 1920's memorial church there are engravings to my (author) families of Crabb (who married in to the Hillyary and Monnet families) and Prall among others. In this book also is mentioned that Eleanor Sprigg Hilleary md 2nd John Nuthall and then md 3rd 1728/29 to Rev. George Murdock (but this date was after the death date of Eleanor) But here her death is listed as 22 Nov 1741 so maybe she did marry him 3rd. More in this book on land and other court records that Thomas was listed in. WIFE - Eleanor SPRIGG-436 Sources from Salt Lake City library and internet listed Eleanor as dau of Capt Thomas Sprigg Sr and Eleanor Nuthall. Birth listed as 1669 prob. MD. Eleanor married 1st to Thomas Hilleary ca 1680 Eleanor married 2nd to cousin John Nuthall ca 1699. Eleanor married 3rd to Rev. George Murdock in 1729 Several sources don't list this marriage and few sources do. In one source had been stated Eleanor died 9 Feb 1727/28 Prince Geo Co. Md. and she md Rev. Geo in 1729 herein lies the descrepinsey. I would guess by now with research located this was closer to a 3rd marriage date then her death. Death was after 1741 if last marriage date is correct but before 1761 as not listed in will of Rev. George Murdock. Book "Clapp Family" by Richard Dwight Prall stated Eleanor died after 22 Nov 1741 so if that date is right she could have md a 3rd time and maybe the 1727/9 date was a marriage date as that is when was said she md the 3rd time. George Murdock d. 1761. Much info on Rev. Geo Murdock and his wife Eleanor Sprigg Hilleary Nuthall so the death date of 1729 is not right but she apparently did die before George did in 1761 as she was not listed in his will. This from the book "Across The Years" in Pr Geo Co. (see under Rev. George Murdock for sources) 3 children listed for Eleanor and Thomas Hilleary. Then in some documents by Eleanor Nuthall was listed a daughter Mary Nuthall, spinster daated ca 1728/29 for land to have till death of Rev. Geo Murdock. Maybe had at least 2 daughters, Mary & Eleanor by JOHN Nuthall. Believe had no children by Rev. George Murdock. CHILD 1 - Thomas HILLEARY II-431 Several sources at Salt Lake City library and internet listed Thomas and Eleanor Young as parents of William Hilleary. Thomas son of Thomas Hilleary and Eleanor Sprigg. Thomas Hilleary son of Thomas Hilleary and Eleanor Sprigg was said to have been born abt 1685 and yet in 1697 the son Thomas was listed as executor of Thomas Sr estate. How would a 12-13 year old boy become an executor? Thomas Sr from 1st mg had a son Thomas also but he has been reported to have died in 1681 so how is this going

Thomas Hilkey son of Thomas Hilkey and Eleanor Sprigg was said to have been born abt 1682 and yet in 1697 the son Thomas was listed as executor of Thomas's estate. Thomas son of Thomas Hilkey and Eleanor Sprigg

Believe had no children, by Rev. George Munrook.

3 children listed for Eleanor and Thomas Hilkey. Then in some documents by Eleanor Nuttall was listed a daughter Mary Nuttall, daughter, dated ca 1720/25 for land to have the death of Rev. Geo Munrook.
Then from the book "Across the Years" in Ft-Coe Co. (see under Rev. George Munrook for sources)
but she apparently did die before George did in 1761 as she was not listed in his will.
Much info on Rev. Geo Munrook and his wife Eleanor (sister Hilkey Nuttall) so the death date of 1725 is not right.

Book "Capp Family" by Richard Dwight first stated Eleanor died after 23 Nov 1741 so if that date is right she could have had a 3rd time and maybe the 1725/9 date was a marriage date as that is when was said she met the 3rd time.
George Munrook d. 1761.

Death was after 1741 if last marriage date is correct but before 1761 as not listed in will of Rev. George Munrook.
In one source had been stated Eleanor died 9 Feb 1725/26 Prince Geo Co. Md. and she met him Geo in 1725 when she the discrepancy. I would guess by now with research focused this was closer to a 3rd marriage date than her death.

Eleanor married 2nd to cousin John Nuttall ca 1699.
Eleanor married 1st to Thomas Hilkey ca 1680.

Birth listed as 1689 prob. Md.

WIFE - Eleanor SPRIGG-436
Sources from Salt Lake City library and internet listed Eleanor as dau of Capt Thomas Sprigg Sr and Eleanor Nuttall.

More in this book on land and other court records that Thomas was listed in.

In this book also is mentioned that Eleanor Sprigg Hilkey mtd John Nuttall and then mtd 2nd 1725/26 to Rev. George Munrook (but this date was after the death date of Eleanor). But here her death is listed as 23 Nov 1741 so maybe she did marry him 2nd.

Another speculation is that the first son did not die in 1681 and did live after his fathers death in 1697 and was executor and the younger son was one that died before 1697. Eleanor married 3rd to Rev. George Minkock in 1929. Several sources don't list this marriage and few sources do. In one source had been stated Eleanor died 9 Feb 1927/28 Prince Geo Co. Pa. and was buried in 1929. I would guess by now with research located this was close to a 3rd marriage date then her death.

Death was after 1941 if last marriage date is correct but before 1981 as not listed in will of Rev. George Minkock.

Book "Clapp Family" by Richard Dwight Pratt stated Eleanor died after 25 Nov 1941 so if that date is right she could have had a 3rd time - and maybe the 1927/28 date was a marriage date as that is when was said she and the 3rd time. George Minkock d. 1961.

Much info on Rev. Geo Minkock and his wife Eleanor Sprigg Hilkey Nuttal in the above item of 1929 is not right but the apparently did die before George did in 1981 as was not listed in his will.

This from the book "Across The Years" in Ft. Geo Co. (see under Rev. George Minkock for source)

3 children listed for Eleanor and Thomas Hilkey. Then in same document by Eleanor Nuttal was listed a daughter Mary Nuttal, spouse, dated ca 1928/29 for want to have till death of Rev. Geo Minkock.

Maybe had at least 2 daughters, Mary & Eleanor, by John Nuttal.

Believe had no children by Rev. George Minkock.

Subject: Beall

Hi Mom,

The Beall line is certainly confusing. I don't know if this info will help or add to the confusion but here it is anyway. It shows Nathaniels father as James son of Alexander.

Notes: B-ALEX-212. Nathaniel Beall, b. c1715 Frederick Co, MD of William [G1683] of Alexander [1649]; Thomas Edward Beall, Jr, 1942 says 1699. [Heterick believed Nathaniel to be son of B-ALEX-2/1649 Alexander, Immigrant, however Nathaniel was not named in Alexander Beall's will. Heterick states that on 9 Nov 1719 Alexander gift deeded Nathaniel 290 (or 430) acres of Middle Part, part of Friendship Enlarged (PGLO F:26), however Roberta Hull points out that record shows recipient as Ninian, not Nathaniel. Roberta Hull says prob b. after 1710, and nothing to indicate Nathaniel was a son of Alexander. (Beall Gen. News:162) Roberta further determines that Nathaniel was actually b. c. 1715, son of William (B-ALEX-21: BGN:275) Caution: Easily confused with Nathaniel B-ALEX-33, b. G1706 of James [1652].

Marriage. G1735 m. Ann Murdock (1717-1804) dau of Rev. George Murdock of PGC, rector of Rock Creek Church, PG Co. (See Settlement of Ann's Estate, by son Elisha, FC Settlements BV1:183, Feb 6, 1807; FMMB:156; Roberta Hull, BGN II:4 (Dec 92) p 60). George Murdock was bro. of William Murdock, of PGC, who m. Margaret Dulaney, dr of Daniel Dulany, noted Jurist of Annapolis, b. Ireland 1685, d. Annapolis 1753. Move to Urbana. Moved to Urbana area, nr. Bennetts Creek, by 1745. On 26 Feb 1754 for 5 shillings, William [B-ALEX-21/G1683] conveyed to Nathaniel 162 acres of Fat Oxen, near Urbana. (FCLO E:362) (Heterick, I: 25,27). 1755-1756 Nathaniel Beall listed in Frederick County Debt Books for pt. Fat Oxen, 262a. Will 20 Jun 1757 - 20 Nov 1757 (FCW 30:575 Hall of Records, Annapolis). Exec, wife Ann & son William. Will of Rev. George Murdock 14 Jun 1760 - 14 Nar 1761 (PGW 1:526) mentions granddaughters Elizabeth and Mary Beall. Hull states there were only 5 children. Widow Ann Murdock Beall's will (FCW RB1:162), Elisha executor, distributes to heirs of George, Elizabeth, William M, Elisha, and Mary; Charles omitted from will.

1. George W, eldest son. b. c. 1738, d. c 1797, Hampshire Co, WV (+B-ALEX-212-1/G1736)

2. Elizabeth (c 1740-1786). m. Mordecai Beall, (c 1738-c1776) Frederick Co, MD, son of William Beall & Sarah Magruder (+B-ALEX-228-5)

3. William Murdock, second son. 1742-1823, m. 1770 Mary Tannyhill (c1742-1810) (B-ALEX-212-2/+1741)

4. Mary. (c1743-1822). m. 1760 Ralph Hilleary (1740-1823) (+B-ALEX-212-5/G1747)

5. Elisha, b. Urbana Jan 4 1745, d. 1837; m. 1783 Jane Perry (1763-1819 (+B-ALEX-212-3/1745)

Census State/Year:

Notes: B-ALEX-21, William Beall b. G1683, d. 1756, of Alexander, Immigrant, [1649]. (FMMB has William's dates as 1700-1756). Danger of Confusion with (1) William (B-THOMAS-4/1670) of Thomas [1638], as Beall News (1:5) following FMMB:144-145 does, also Alberta Utz. Since the will of William who d. 1756 identifies Friendship Enlarged, it is more likely this William than another. Danger of confusion also with (2) William, husband of Sarah Magruder: while FMMB shows William of Alexander as married to Sarah Magruder, daughter of Ninian Magruder; however, 1756 will and other property transactions show wife to be Elizabeth. For material associated with William, husband of Sarah Magruder, see B-ALEX-221/G1705. Marriage. William m. G1711 (NET 1711) Elizabeth Magruder Beall, widow of Ninian Beall Jr, (B-NIN-11/1674; FMMB 49;78) son of Col. Ninian Beall (B-NIN/1625). She was b. 1685 dau of Col. Samuel Magruder & wife B-SIS Sarah Bell, and she m. Ninian Beall Jr (B-NIN-1) G1703; he d. 1711 (Heterick IV:1; See PG A:335,340, 1731; FMMB:108). Elizabeth d. after 1764 since referred to in will of her dau. Jemima dated Feb 14, 1764 (FCW A:223) However, Don Milligan (2-7-95) believes Elizabeth Stallings to be wife of William of Alexander. Real Estate: Lived Frederick Co, now Montgomery County. 1743 by father's will received Largoe and Newfoundland, "both lyeth on the south side of southwest branch of the Patuxent River." (FMMB:144) Transferred land amounting to 4000 acres in now Montgomery County in 1719, 1720, 1727 (Scharf's His. W Md:649,652; FMMB:108). 17 May 1745 William Beall & [brother] Ninian Beall (B-ALEX-22/G1686) of PG Co. convey to John Contee 696 acres of Largo patented to Alexander Beall [B-ALEX-2/1649] and William Offutt 7 Dec 1703, now the property of William and Ninian as heirs of Alexander Beall. Elizabeth, wife of William, and Ruth, wife of Ninian, waived dower. 10 Oct 1746 William Beall Sr to Mary Beall (B-NIN-12, dau of Ninian Beall Jr) 199 acres of Discontent. Elizabeth wife of William waived dower. 2 May 1750 William Beall of Frederick Co & James Edmonston (husband of Mary Beall, B-NIN-12) convey Labyrinth to Richard Beall. Elizabeth waives dower. (FCLO B:165). 28 Jul 1750 William Beall of Fred Co. sells to John Taneyhill Hills and Dales in Fred Co beginning at a tract of land belonging to Ninian Tannehill called Fenwick. Elizabeth waives dower. (FCLO B:244) 28 Jan 1754 William Beall, Sr and Archibald Edmonston gift deed to James Beall, son of James Beall, late of PG Co, deceased, Meadow Hall and part of Prevention. 1754 gift deeds to Nathaniel (B-ALEX-212/c1715) 162 acres of Fat Oxen. (Heterick, I:2) John Harding Family. William Beall's family became intertwined with the family of John Harding. On 5 Jun 1719 William Beall sold to John Harding, 110 acres of Harding's Choice in PGC County on the north side of the north west branch of the Eastern Branch of the Potomac (PGLR F:171/756 5 Jun 1719); Patrick Hepburn and Basil Waring were witnesses. In this reference's William Beall's wife Mary waives dower. Nancy Lesure and Roberta Hull feel the reference to wife Mary is in error. 1719 John Harding & Isaac Harding appear on the list of founding vestrymen, Prince Georges Parish at Rock Creek. Isaac Harding never mentioned again. If John Harding was 21 at the time, he would have been b. G1698, and aged 54 at his death in 1752. John Harding mentioned often between 1719 & 1751 as vestryman

& warden. Wife Elizabeth mentioned once as seamstress for church linen. 1729 William Beall was appraiser with brother Ninian for estate of John Williams (1/22/1728-10/1/1729, Prince Geo. Prerog. Records) and record mentions Elizabeth Harding as sister of John Williams and Charles Williams. Roberta Hull indicates Williams parent is Charles Williams. John Harding will 2/5/1752, wife Elizabeth will 1 May 1768 - 5 Oct 1769 (FCW A:348). After John Harding's death, widow Elizabeth living on land owned by William Beall's son Alexander; Alexander's will 1759 devised to daughter Sarah the land that Elizabeth "Harde" lives on. (Roberta Hull.) Children of John Harding and wife Elizabeth ; dates of baptism from Prince George's Parish Vestry records:

H1. John, bapt 4-29-1718, deceased by 1768, had son Gary.

H2. Lewis, bapt 4-20-1722

H3. Lucy, bapt 10-14-1724, deceased by 1768, m. Robert Saxonberry & had sons and daughters.

H4. Charles, b. G1726

H5. Elias, bapt 7-4-1728, m. Elizabeth (B-ALEX-217/G1729) daughter of William Beall. FMMB gives her birthdate as 1719, however this would give her an exceptionally long life and a date closer to her husband's is reasonable.

H6. Edward, b. G1728 if twin

H7. Grove, bapt 9-1-1729

H8. Elizabeth, deceased by 1768; m. B-ALEX-211/1712 Alexander Beall and had sons and daughters. She married between 1752 and 1768, if 18 at marriage, b. G1734-G1750. If b. next in line at G1731, then age 21 at marriage 1752. If she married 1763 -- leaving only sufficient time to have 2 sons and 2 daughters by 1768 -- and was 18 at the time, she could have been born as late as 1745, seven years before her father's death at guessed age 54.

H9. Cassia/Kessiah, deceased by 1768; m. Robert Owen and had children. She married between 1752 and 1768, if 18 at marriage, b. G1734-G1750. If b. next in line at G1733, then age 19 at marriage 1752.

H10. Usuly, m. Nathan Holland. Assume youngest; if b. next in line at G1735, then age 17 at marriage 1752; if married late ca 1767 and no children yet by 1768, then age 32 at marriage. 1767 and b. G17 William Beall's Will. 1755-1756 William Beall, Sr. listed in Frederick County Debt Books for pt. Friendship Enlarged, 290a, Hills & Dales, 66a, pt. Prevention, 11a. At death, willed (FCW A1:89 18 Jan 1756-30 Mar 1756; FMMB:108 .) to wife Elizabeth, Friendship Enlarged, 290 acres. To William Shaw, Sr of Frederick Co, 14 acres of William and Elizabeth. B-ALEX-212/c1715 Nathaniel Beall, Samuel Blackmore, Elisha Hopkinson, witnesses. Land to be bought for son William, presumably a minor. Wife Elizabeth & son Alexander executors. Elizabeth, William's widow, was executrix on 2-9-1761 (Don Milligan 2-1-95). As pointed out by Roberta Hull (BGN:23 Dec 91) William and Ninian together conveyed land in 1745 as heirs of Alexander Beall. Roberta Hull (BGN:274-275, Jun 1996) shows the following children for William although she previously indicated that only the 6 underlined were mentioned in their father's will. Nathaniel is often thought to be a son of B-ALEX-2 Alexander, Immigrant, and Henry is also thought to be a son of B-ALEX-218/c1729 William Jr.

1. Alexander, b. c. 1712. Capt, m. Elizabeth Harding, daughter of John and Elizabeth, then, after her death, in 1756 m. Sarah Ogle, who survived his death in 1759. (+)

2. Nathaniel. b. c 1715, d. 1757 Frederick Co, m. c. 1737 Ann Murdock, b. 1717, d. 1804 Frederick Co. (+)

3. Henry, b. c. 1718, d. aft. 1755, m. Sarah (Eason in 1744? Talbot Co); may be the surveyor in Bedford Co, VA. (+)

4. Margaret, b. 1722 (+)

5. Richard, b. 1722 (+)

6. Jemima, b. c. 1725, d. 1764 Frederick Co, unmarried (+)

7. Elizabeth, b. c. 1728, d. aft 1800. m. Elias Harding, son of John and Elizabeth, (+)

8. William, b. c. 1729, d. 1762. Probably youngest child; named last in father's will; only one of family who had not been given land previous to the will (+)

FMMB:112 shows this family under B-THOMAS-4/1670 in the following order: Mary, 1712; Alexander, 1713; William Jr, 1717; Richard, 1722, Margaret, 1722, Jemima 1728, Elizabeth _____, Samuel 1731, and a daughter. Of these, the following are not listed in Roberta Hull's list:

9. Mary, b. 1712, d. 1733, m. 1729 John Bowie, Jr. (FMMB:108) Issue: (1) William, b. 1730, m. Rachel Pottinger. (2) Mary Beall Bowie, b. 1732, m. James Magruder, grandson of Alexander Magruder, Immigrant.

a. Samuel, b. 1731. In 1764 will of sister Jemima (B-ALEX-216/1728) she mentions "my niece Jemima Beall, dau of my brother Samuel." (FMMB:112). Daughter: Jimima

b. daughter, b. 1749, m. Stephen Lanham. (FMMB:112)

Notes: B-ALEX-2 Alexander Beall, Immigrant, bapt St. Andrews Ch, Fife Co, Scotland 11 Oct 1649, d. 1744; of Alexander of Scotland, [G1621] (Beall News, p. 12) First Marriage. Donna Russell shows Alexander to have been m. twice, with first wife unknown. In article, Charles Beall, Russell indicates marriage to first wife took place in 1680's, since children were born in 1680's. Acc to FMMB

Alexander m. Elizabeth Coombs, dau of Enoch Coombes, who first patented Largo, lying on the north side of the SW branch of the Patuxent River. (FMMB:131). If true, Coombs might be Alexander's first wife. Roslyn R. Westray, Charleston SC, believes Elizabeth Coombs was a cousin to Elizabeth Beall and left her something in a will. (Letter, 7 Apr 1993). Second Marriage. Russell believes second marriage to have taken place after 1708 to Elizabeth, daughter of Elizabeth Hepburn.

Elizabeth Hepburn, in turn, was born Elizabeth Parker, daughter of William Parker of the Clifts, Calvert County, gentleman. Elizabeth Parker "was born probably in Maryland about 1660 and died in Prince Georges County, Maryland, by 30 May 1735." Elizabeth Parker m. (1) in 1681 at the age of 21 Henry Buckerfield, (2) in 1710 at the age of 50 Samuel Holdsworth, and (3) in 1711 at the age of 51 Patrick Hepburn. Elizabeth Parker Buckerfield "was living in England at the time of her mother's death in 1706 and served as executrix of her estate (Md. Hist. Mag 43 [1948]:231-32) but was in Calvert County, Maryland, by 19 August 1709, when, as sole heir to her brother William Parker, she sold to Samuel Galloway of Anne Arundel County the 330-acre Cumberton tract." On 4 December 1710 Samuel Holdsworth of Calvert County "bequeathed to Elizabeth Buckerfield one third of his personal estate, including slaves,"...and "the use of the furniture in the room she now lives in and the use of the room for life," however if any marriage hereafter should happen to be held and solemnized between me and the said Elizabeth Buckerfield," these bequests would become her dower. Three months later (8 Mar 1710/1) when the inventory of Samuel's estate {£2833 7s 16d} was approved, Elizabeth Buckerfield was Elizabeth Holdsworth and next of kin. Later that year, "on 15 Oct 1711 Patrick Hepburn of PG Co, gent., made a deed of trust to Richard Bennett of Talbot Co, Esq., of the 577 acre tract Weymouth and two lots in Marlborough, to beheld in trust by Bennett in consideration that a marriage is speedily intended between said Patrick Hepburn and Elizabeth Holdsworth of Calvert Co., widow and relict of Samuel Holdsworth late of Charles Co., dec'd. (PGCGS Bulletin 24:4, p 81, Dec

1992, citing Bowie, p. 446, PGDeeds E:417). Patrick Hepburn, who had children by a previous marriage, was called "Doctor", and in 1718 deposed that he was age forty-five [b. 1683] (Chancery Court 3:850). He died intestate by 20 February 1729, when Elizabeth Hepburn as administratrix stated that 'this accountant prays allowance out of the estate for a bequest made to her by the late testament of Samuel Holdsworth of Calvert County, which was secured to her by Patrick Hepburn before his marriage to her, as appears by the Articles of Agreement made between Hepburn and Richard Bennett, Esq..., and by bond for £1000' (Prince George's Co. Accounts 10:190-197; Russell/Maternal Ancestry:75) On 4 Feb 1734/5 "Elizabeth Hepburn of PG Co, widow, relict of Patrick Hepburn of the same county, Gent'n, dec'd" wrote her will (4 Feb 1734/1735 - 30 May 1735; Heterick I:2; PG 1:203; PGW MCW7:136, PG Gen Soc Bulletin 24:4, Dec 1992; Md. Prov. Wills 23:543) which conveys to daughter Elizabeth Beall of Prince George's County £10 sterling, a silver tankard and clothing; the will also conveys to granddaughter Mary Willson £10 current money, and to her great-grandson Lingon Willson, negro boy Lieutenant. The same will also conveys to daughter in law Margaret Dick "£10 current money and a mourning ring with two dimonds and a cypher in the middle". Margaret was wife of Henry Dick, and filed his inventory in PGC 23 Mar 1742. The term "daughter-in-law" here could refer to Margaret's being the daughter of Patrick Hepburn's earlier marriage. This usage is confirmed by the reference to John Hepburn, who also received a bequest, as "son-in-law."

Elizabeth, daughter of Elizabeth Parker and William Buckerfield, was probably b. England ca 1685 and d in P. G. Co by 1743 (Russell. She m. (1) in England betw 1698 and 1707 William Bates, and had daughter Mary ca 1705. Mary Bates in turn ca 1732 married Lingan Willson, b. PG Co 1702 to Josiah Willson of James and Martha Lingan (Russell/Maternal Ancestry). This marriage may also have produced daughter Elizabeth, who married George Scott and is mentioned in grandmother Elizabeth's 1734 will. William Bates died, probably in England leaving his widow Elizabeth Buckerfield Bates free to m. (2) Alexander Beall "after about 1708 when the Buckerfield family moved to Maryland." (Russell). Since she was not mentioned in will, she must have predeceased Alexander. Real Estate and Public Life. 30 Jul 1695, with other county officers, congratulations to King William on escaping assassination. (FMMB 131) 10 Nov 1696 as civil officer & magistrate of PGC joined with other officers, various counties, in letter to King William declaring their loyalty after an assassination attempt. (Archives of Md, Proceedings of the Council, 20:538-546, Russell, Charles Beall, p. 99). 1699, foreman of Grand Jury at Charlestown, PG Co March Court, 1699. 9 September 1713 purchased from Col. Ninian Beall Friendship Northside of Col. William Diggs Land. (stretched from now Washington City to the Burnt Mills, on Sligo Creek. FMMB:131) "In December 1706...accompanied by his minister, Rev. Nathaniel Taylor, to a meeting attended by six other ministers from Maryland, Philadelphia and Delaware...to establish an organized Church from among the independent congregations. That meeting was the beginning of the Presbyterian Church in America....On Oct 11, 1709 Alexander Beall was again named Trustee for a Presbyterian Church when Dr. Mordecai Moore of Anne Arundel County deeded to Rev. Nathaniel Taylor, Alexander Beall, James Beall (B-ALEX-3/1652) and others, as Trustees, a half acre of land on the Eastern Branch of the Potomac for a Church. That new site was more convenient to Alexander Beall, who...lived halfway between Marlborough and the Eastern Branch, than the Patuxent River Church initiated by Ninian Beall in 1704. 7 Dec 1703 Largo patented to Alexander Beall & William Offutt. Friendship Enlarged was patented to Alexander Beall on May 14, 1716. This tract of land contained 920 acres and fronted on the Northwest Branch of the Patuxent River, a short distance from their juncture. This tract lay about ten miles northeast of Beall Town, now Bladensburg, Maryland; also about 15 miles northeast of the mouth of the Anacostia River in what is now Washington, DC. (McLean, p 11-12) 9 Nov 1719 for love and affection gift deeded to his son Ninian 430 acres of Friendship Enlarged (PGLO F:257). 24 Sept 1721. purchased part of Largo from several parties (not Bealls). Will. Will 16 Jan 1743-5 Sep 1744 (Maryland Prerogative Wills, 23:543; Russell, Charles Beall, p. 99). "To brother Robert, all my wearing apparel. To Lingan Wilson's wife, my chaise and horses." Witnesses Meredith Davis, John Conry, Joseph Beall. Children: According to Russell, "Alexander's children by his

unidentified first wife were born in the 1680-1700 period." Dates from FMMB are included, however the six children shown by FMMB include Mary, wife of Lingan Willson, who though named in Alexander's will, was not his daughter, but that of his second wife Elizabeth's first marriage. Children as listed by Russell, Charles Beall:

1. William, b. G1683 (Russell, 1683/4, FMMB:F, 1700) d. 1756; m. ca 1711-12 Elizabeth (Magruder) Beall, widow of Ninian Beall. William's birth date given as 1700 by FMMB based on PGC deposition, however that information has been re-assigned to William of William, Immigrant; Russell's earlier dating works better with remaining data. (+)

2. Ninian, b. G1686 (Russell: 1680's; FMMB:B, 1687) (+)

3. John, b. 1688 (FMMB:C, 1688), d. 1742, and deceased at father's death 1744, m. 1712 Verlinda Magruder, dau of Samuel & Sarah Magruder (+)

Caution-- This line follows events and children assigned by Heterick. See also B-ALEX-34 for James Beall of James, following Doliente. FMMB and Beall News, p. 12 confuse children of James Beall of Alexander and James Beall of James, with a James and Alexander only found under James of Alexander, and most of James of Alexander's children placed under James of James. 5. Ruth, b. G1692 (Russell, 1690's; FMMB:A, 1686) d. after 1744; m. John Jackson (+)
Sometimes listed among Alexander Beall's children, but actually children of Alexander Beall's wife Elizabeth by her first marriage to William Bates:

x. Mary [Bates], b. England ca 1705 (FMMB:E, 1694) "Lingon Wilson's wife", referred to as granddaughter Mary Wilson by grandmother Elizabeth Hepburn's 1734 will. m. Lingan Wilson.
Children: (1) Lingan, (2) Mary

y. Elizabeth [Bates], b. G1704, m. George Scott acc to grandmother Elizabeth Hepburn's 1734 will. (Not included by FMMB, but included by Heterick among Alexander's children)
Also sometimes listed among Alexander Beall's children but actually Alexander's grandchild via son William:

z. Nathaniel, b. (Russell, 1690's) d. 1757.; m. Ann Murdock, dau of the Rev. George Murdock. (Included among Alexander Beall's children by Russell, also Heterick who notes Nathaniel is mentioned as brother in deeds of other children. Notes: B-ALEX Alexander Beall (Bell). B. G1621. "Brabener"--weaver. 21 May 1646 in Scotland m. Margaret Ramsey; father of 4 immigrants to Maryland. Lived St. Andrews Parish, where baptisms of 4 children are included in Parish register. Bell spelling was used. . "The Index of Testaments for the Commissariat of St. Andrews, records on 8th November 1653 the will of Christian Traill. The Testament was given up by her husband William Bell, younger, braboner in St. Andrews, and mentions William Bell, elder, also a braboner in St. Andrews, presumably her father-in-law. It is possible that the William Beall who witnessed the baptism of Alexander Bell's son William in 1647 was this William Bell, elder, braboner in St. Andrews. Also that William Bell, elder, was the father of both Alexander Bell who married Margaret Ramsay and William Bell, younger. Readily available records in Scotland revealed nothing else identifiable with this family in Fife County or St. Andrews parish.

Hi,

Just another interesting tidbit regarding the Bealls. There is a lot of controversy regarding his claims on the forum but thought it was interesting nonetheless.

Hello Bob/Betty:

I'm descended from one of Ninian's brothers or uncles who stayed behind in Lower Largo, Fife. My own grandfather was a fisherman in Largo in the early 1900s. I think what went on in the family is that Ninian started shipping his Bell cousins in from Fife by the boatload. Many of those who came over prior to 1700 were his cousins from St. Andrews parish, descended from his father's brother William, who moved from Lower Largo to St. Andrews, launching the branch of the Bells that eventually produced Alexander Graham Bell. I've done quite a bit of research on Ninian's father, Dr. James Bell. The University of Glasgow tells me that James was in fact a doctor of divinity rather than medicine, one of the earliest produced by the Church of **Scotland**. James was back and forth between Largo and Glasgow University repeatedly during Ninian's early years, and that may be where the latter acquired his fondness for the Rock of Dumbarton. I've also done a lot of research on Ninian's military career. I believe he fought in the Battle of Dunbar, Sept. 3, 1650, as a member of Arnot's Regiment of Horse, which was raised in Fife in the spring of 1650. Ninian was the flag carrier, a cornet or junior officer. The rank indicates that his family must have been very well-heeled, since cavalymen were expected to provide their own horses, three or more usually. There's no way of proving it for sure, but that unit is by far the most likely. I'm also fairly well convinced that Ninian was deported to Barbados under indenture in early 1651 following his capture at Dunbar, though there are no records. One of the tracts he later surveyed in Maryland came up named "Barbadoes." And I believe he probably took part in Cromwell's abortive invasion of Hispaniola in 1655, as one of about 1,300 "volunteers" raised from Scottish and Irish prisoners on Barbados and St. Kitts. Again, there is no proof, but that would sure explain the long delay between Dunbar and his eventual arrival in Maryland, as well as how he got there (by offering his military services). Also, the Quaker in Maryland who accepted his nominal indenture appears to have had a couple of relatives who owned plantations in Barbados. I've also looked into Ninian's Calvert connection, his mother being of that family. I believe a branch of the Calverts headed north from Yorkshire into the protection of the Bishop of St. Andrews after the fall of Catholicism in England during the reign of Henry VIII. They start popping up in Scottish records in the early to middle 1600s in St. Andrews and Anstruther Wester parishes. So Ninian may have used that connection as well to wangle his way north to Calvert turf in Maryland. All of this is probably utterly unproveable today. But I do believe there's a pretty good prima facia case. Food for thought . .

I have William Bell (born 1595 Largo parish, Fife) marrying Kathrine Smyth (born 1602) in about 1625. Incidentally, my databank indicates that Col. Ninian Bell/Beall and Alexander Graham Bell share a common ancestry, tracing back to Alexander Bell (born 1565 Lower Largo) and Margaret Ramsey. William was Ninian's uncle, who moved from Largo to St. Andrews -- about 14 miles up the road -- at a young age. William named his first son Alexander in keeping with the Scottish naming tradition, and this Alexander also married a woman named Margaret Ramsey, just to confuse us all. This branch produced all those emigres invited to Maryland by Ninian, and also, eventually, the inventor of the telephone through a Bell who stayed in **Scotland**.

Hello Thomas:

First of all, are you now willing to concede that Alexander Graham Bell was a Fifer? I'm sitting here reading his book, as published March 12, 1918 in the Beinn Bhreagh Recorder XXII, (his summer home in the Canadian Maritimes) and entitled The Bells of St. Andrews. The evidence is overwhelming. In it there are 314 births, 74 deaths, 56 marriages going back to 1627. All of 'em in Fife. All of 'em researched and reported by Alexander Graham Bell, as his kith and kin. If you don't have it, go get it from the Bell Family Association of the United States.

The Beall surname in **Scotland**: Virtually non-existent. Check the British Telecom phonebook listings for Beall in **Scotland**. You won't find enough to count with the fingers of both hands, and they're probably mostly Americans over for the oil and gas around Aberdeen. Go to the LDS website and search **Scotland** back to the get-go. Hardly any Bealls in **Scotland** ever. The only Bealls in evidence were a small family in Wemyss parish, Fife in the 1700s -- and that was probably a parish mis-spelling. They disappear after a generation. Scots Origins produces a similar search result. There are no Scottish Bealls. It's simply an American-English variant on a traditional and very old Scottish surname.

Concerning the Maryland tract names: How about Fife's Largo, bestowed by Ninian Bell/Beall? Surely you can find that one on your own in the Maryland records.

Concerning proofs etc. I'm afraid I'm not willing to spend hours rifling through my files to prove the patently obvious to your satisfaction. Suffice to say that my own grandfather was a Fifer, born in Lower Largo, who came to Canada in 1913. He knew about Ninian as well as the distant relationship with Alexander Graham Bell. The stories had come down through the family for hundreds of years. I've seen references in letters he

wrote to his wife and to my own father. I still have cousins living in Lower Largo, and they talk about the whole thing rather matter-of-factly. It's no big deal to them -- it just IS.

The blood is there. In spades.

Lineage: Of Ninian Beall, whose record in Md. from 1650 was outstanding. He came as an indentured Cromwellian Prisoner, served thirty-five years, lived to be 92—was six feet, 7 inches tall, and his remains were removed after years and this was proven. His thrift and perseverance made him an outstanding character of his day. He lived at "Fife Large", near what is now Georgetown, D. C. His youngest son, George, the one Georgetown is named for and not for George Washington, as many think. George Gordon owned this tract first; it was called "The Wilderness" and he acquired it from Leonard Mackall whom—Catherine Beall. This is now known in Washington as Q Street, N Street, and to 30th Street. The Beall family were people who stood pioneer life with fine physique, and the family gave generously its sons to the American Rev. It is said more sons than any other family and many High Ranking Officers from Col. to Brig.-Gen. Gen. Samuel Beall, a grandson, was known as one of The Immortal Twelve, of The Stamp Act. His eldest son, Brooke Beall, was known for his hospitality and charming wife; George Washington was often a guest at his beautiful home. George Beall m—Eliz. Brooke, dau—of Barbara Dent and Thomas Brooke. He was b—at Marlboro 1695, d—at Georgetown 1780. The Dumbarton House of Georgetown emulated American Rev. ancestry, rather than Colonial distinction, because fame came during that 1776 period; it was fifty-three years after coming to Md. before Ninian received a Grant—1703. He was then 78 years old—b—in Scotland 1625, at Fifeshire; and enjoyed even at that time of life fourteen years remaining in comfort on his Plantation. He was voted by the Legislature a gift for service most faithfully performed in the protection of Md. against the Indians—1699. His sons and grandsons all served in various American Wars—to 1812-14.

Whereas I owe several debts, I doe empower my Trustees hereafter named, to enable them to pay the same, to sell a certain tract of land, called Recovery, lying and in the freshes of Patuxent River, near the head of the Western Branch, to be sold, it containing four hundred acres, the aforesaid tract of land bequeathed unto my son Belt, is adjoining thereunto.

And I doe devise my loving son, Charles Beall, Joseph Belt, and George Beall, to doe and perform my devises as above expressed, and to set and doe for my Executor until he arrive at the age of one and twenty, hereby revoking and annulling all other Wills by me at any time heretofore made and signed.

Lineage

NINIAN BEALL, *b.* in Largo, Fifeshire, Scotland, in 1625. His will is dated 15th Jan. 1717 and was probated 28th Feb. 1717. He held a commission as cornet in the Scotch-English Army, raised to resist Cromwell. He fought in the battle of Dun-

bar, 3d Sept. 1650, against Cromwell. He was made prisoner at that battle, and sentenced to five years' servitude. He was sent with 150 other Scotchmen to Barbadoes, West Indies. About 1652 they appeared in the Province of Maryland. Ninian BEALL served his five years with Richard HALL, a planter of Calvert Co.

In Liber 5, folio 416, Maryland Land Office Records of 1658, there is a record of Ninian BEALL making a land transfer in Calvert Co., Md. It seems that these military prisoners were entitled to 50 acres of public land after completing service. In Liber II, folio 195, Maryland Land Office, has the following 16th Jan. 1667: "Then came Ninian BEALL of Calvert County, Planter, and proved right to 50 acres of land for his time service performed with Richard HALL of same county." By the inexperienced reader the servitude of Col. Ninian BEALL for five years under Richard HALL, on account of fighting against Cromwell, may be rated as a disgrace. This humiliation of servitude which came to him, not on account of crime, but through the fortunes of war, was an honor. The principle for which he fought finally triumphed in the overthrow of Cromwell. His servitude was a halo of martyrdom for a principle which was honorable. Although he had many chances to escape from servitude after reaching Maryland, yet we find the instincts of a gentleman and soldier prompted him to not only honorably and gracefully submit to the fortunes of war, but at the same time, by so doing, he gained the respect and confidence of the people of Maryland to such a degree that they showered continuous honors upon him to the day of his death.

Ninian BEALL's military ability in the Scotch-English Army seems to have been made good use of in the Province of Maryland, as shown by the following notations: 1668: Records at Annapolis, dated 31st Oct. 1668, call him Lieut. Ninian BEALL. 1676: Commissioned Lieut. of Lord Baltimore's "Yacht of War, Loyal Charles of Maryland, John Goade Commander."

1684: Deputy Surveyor of Charles Co.

1688: Appointed Chief Military Officer of Calvert Co.

1689: Appointed Major of Calvert Co. Militia by the Assembly.

1692: Appointed High Sheriff of Calvert Co.

1694: Appointed Colonel of Militia by the Assembly 30th July, 1694.

1697: Appointed on a Commission by the Assembly to treat with the Indians.

1679-1701: Was a member of the General Assembly.

1699: The General Assembly passed an "Act of Gratitude" for "the distinguished Indian services of Colonel Ninian BEALL." (See Liber LL No. II, folio 228, Archives of Maryland.)

Col. Ninian BEALL's signal defeat and destruction of the great Susquehannah Tribe of Indians caused him to be recognized as an Indian fighter of ability. Many official papers written by Col. Ninian BEALL and on file in the Provincial Records show that he was a man of broad experience, great mental capacity, undoubted integrity, perfect moral courage, and of good education. His signatures to official papers are bold and free. As he signed his will by witnessed mark, that would indi-

cate that he must have been in a very feeble condition of body at the time, for he was 92 years old. He figures in many land transfers. It is estimated that he owned about 4000 acres. There has been much speculation as to whether Col. Ninian BEALL's family name in Scotland was spelled BEALL or BELL. Official papers in Maryland records are signed by him in a variety of ways; namely, Ninian BALE, Ringing BELL, Ninian BEALE, Ninion BEALE, Ninian BELL and Ninian BEALL. After 1667 he signed everything as Ninian BEALL.

He seems to have identified himself with the Presbyterian Church of Maryland before 1690. During that year 200 Presbyterian immigrants came over from Scotland under his supervision. He located them along the Potomac River and called the settlement New Scotland. These immigrants brought with them Rev. Nathaniel TAYLOR. There is recorded at Upper Marlboro a deed of gift from Col. Ninian BEALL to Reverend TAYLOR, of land in Upper Marlboro upon which to build a church. In 1707 Col. Ninian BEALL presented the above church a costly silver communion set, made in London. A portion of this silver communion set is now in the Presbyterian Church at Hyattsville, Md.

Col. Ninian BEALL had three brothers who settled in the Province of Maryland; namely, Thomas, John and George. Their descendants are numerous. He *m.* about 1670, Ruth MOORE, dau. of Richard and Jane MOORE, Barrister of St. Mary's Co., Md. He *d.* in 1717. He was bur. on his Rock of Dumbarton Plantation, at a point now Gay Street, Georgetown, D. C. When his body was removed, his skeleton was found to be perfect, and measured six feet seven inches, and his hair had grown long and retained its youthful color of red.

3rd Supplement to *Descendants of Alexander Beall (1649-c1744) Immigrant to MD*

Compiled by James W. Beall, of Wilmington, DE, February 2001.

Enclosed are descendant charts for the Basil Beall - Arianna Beall family, including two corrections for page 128, item: b./-1/b) and item: c.

In searching my family (2nd great grandfather William Brook Beall) I obtained a great deal of information on his four siblings (Edmund, John, Eleanor and Mary Ann) so I decided to complete as much of the family as possible to present day descendants.

I want to recognize the following whose contributions were invaluable to completing this work:

Mrs. Roberta Hull. Roberta answered my inquiry in BGN and suggested that Basil and Arianna could be my 3rd grandparents, but couldn't prove it. It turned out Roberta was correct and for several years continued to support my work with new suggestions, ideas and encouragement to continue.

Mrs. Ann B. Hambrecht. Ann, genealogist, did all the research work in Cincinnati by tracing individual members of the family to present day descendants, obtaining records and suggesting new avenues to explore in other counties of Ohio and in Maryland, Indiana, Illinois and Connecticut.

The key to the breakthrough was a reference from Roberta that Arianna and her two daughters had purchased in 1816 lot #16 in Sharpsburg, MD. Ann discovered the deed for the sale of lot #16 in 1835 that named Arianna's heirs as Edmund, William B., John and Mary Ann McCullough, wife of Hugh McCullough administrator of Arianna's estate. Using BGN newsletters and other reference material it was easy to trace my family back to immigrant ancestor Alexander Beall.

Mr. Arnold Saaf, church historian in Alton, Madison Co., Illinois. provided most all the material on the Edmund Beall family who relocated from Cincinnati to Alton in 1836.

Enclosed are the charts for Edmund, William Brooke, John, and Mary Ann Beall McCullough - the children of Basil and Arianna Beall. Very little was found on daughter Eleanor, and it is presumed she was deceased by 1835.

Sincerely,
Jim Beall

It has been the author's privilege, as a member of the Maryland Historical Society, to examine at will, manuscript letters and records on the Murdock family, together with a chart, all contributed by the late Mr. Wilson Miles Cary, painstaking Maryland genealogist, who had done research in this line for Murdock descendants then living in Georgetown. There is the inescapable possibility in every such effort, that flaws may be found. Mr. William D. Marye, in his Murdock article, (M.H.M. No. 25), calls attention to what he considers, several discrepancies in the Cary article, concerning the Rev. George Murdock. Mistakes are easy to make when one considers the confusion which necessarily arises from frequent duplication of given names in every generation. The following from Mr. Cary strengthens the supposition that the Murdocks were from Coventry, England.

"Tombstone at St. Sepulchre:

'John Murdock, Merchant taylor, Ob. Aug. 1684.

Arms. a fret of 10"—

—of this Parish; buried there 1684 and Mrs. Barbara Murdock, his wife, 1698";

Also are interred there several of his sons and daughters.

(Taken from Vol. 2, P. 549, New View of London, 1708')
published by Edw. Hallan.

John Murdock's will proved Aug. 25, 1684, by Barbara of the Parish of St. Sepulchre, London.

Abstract of will; wife, Barbara; eldest son John, partner with me in my trade, £1500; son Thomas £1000; daughter Mary Broomer; daughter Elizabeth Carr.

The poor of Trinity Parish, Coventry, £10.

Wife executrix.

Mr. Cary indicates that the said John, eldest son of John and Barbara, is the immigrant Murdock ancestor.

The author knows little of the beginning of this family; neither does its beginning in America seem to be recorded with complete assurance. The tradition of the "two immigrant brothers" prevails; Jeremiah and John Murdock came to America, whether by way of Virginia, is not certain, but Maj. Jeremiah Murdock eventually settled in Virginia and

Capt. John in Prince George's County, Md. in the late years of the 17th or early 18th century.

It is certain that Jeremiah was in Prince George's County, Maryland in 1714, attested by the following: (Lib. E. Fol. 407, L.O.M.) "John Murdock of Prince George's County in the Province of Maryland, Merchant, to well beloved brother Jeremiah Murdock, of the said County and Province, as also for divers other good and weighty considerations, has granted bargained and sold to brother Jeremiah, his heirs and assigns all that piece or parcel of land in ye County afore-said, on ye W.S. of North Branch of Patuxent River, being part of a tract Padworth Farme; bounds etc., . . . July 4, 1714. Enrolled Nov. 13, 1714.

This settles the disputed relationship of John and Jeremiah—a brother—not the son. And this is of interest: a transfer in the next generation of a part of Padsworth Farme from one Joseph Murdock, probably a son of Jeremiah, to William only son of John of the foregoing deed.

(Lib. R.R. 16. fol. 87. L.O.M. Indenture between Joseph Murdock of the Colony of Virginia and County of King George, and William Murdock of Prince George's County, in the Province of Maryland, Gent.: Joseph Murdock, for 28 pounds, sells all that tract of land lying in Prince George's County, to William Murdock, "(now being in his actual possession)," from a bd. tree of one Bowdle to a bd. tree of Essington, 76 acres with all buildings and advantages belonging.

Enrolled May 27, 1760. It is probable that the above transaction was between first cousins. The within William, is our William of the 1769 will, son of John and the tract is, doubtlessly, Padsworth. Bowdle's Choice and Essington are adjoining tracts and in the author's immediate neighborhood.

Padsworth Farme is the property most intimately associated with the Murdocks of Prince George's County. The farm is situated about three miles east of the Crain Highway by way of the old Queen Anne Road; it is on the Patuxent River from which the house is distant about 1/4 mile. Padsworth is the property of Mr. Hampton Magruder, attorney of Upper Marlboro who bought it at foreclosure sale about 1937. It was for many years past, as it is today, designated as the Gilroy Farm, since in the last two generations it was the home of Edward Gilroy and his son, James. At some time during their ownership, the original house, which was large and of brick, was replaced by a small frame dwelling. Four giant elm trees and a row of cedars survive. In the burying ground, the author was disappointed to find no "Murdock" tombstones; only two small slabs erected to the memory of "John and Mary Jones," one time owners of the property, after the passing of the Murdocks.

CAPT. JOHN MURDOCK married Katherine Barton, daughter of

*Sarah Marsham of Richard.

WILLIAM MURDOCK, son of Capt. John Murdock and Katherine, was born 1700. (Annap.) "William Murdock of Prince George's County deposes that he was 44 years of age in 1744," (the author's authority for placing his birth in 1700).

William Murdock married (1), about 1728, Ann Addison, daughter of Thomas Addison and Eleanor Smith, of Col. Walter Smith and Rachel Hall, his wife.

She was a gentlewoman possessed of many virtues and diligent in the performance of every duty incumbent upon a wife, mother and neighbor. In 1786, Oct. 2, there appears an advertisement in the *Md. Gaz.* "To be rented for one or more years, the plantation whereon I now dwell. Apply to Mr. Benj. Hall."

Margaret Murdock.

This is evidently, Margaret Murdock, widow of William Murdock, parents of above testator, Margaret Murdock.

II. Rebecca, own sister of Margaret, m. Anthony Addison (son of John Addison and Susanna Wilkinson) June 26, 1794.

Mr. and Mrs. Anthony Addison lived in Georgetown, where he died.

**Md. Gaz.* of June 2, 1747: "Dr. Alexander Hamilton of this city was married to Miss Margaret Dulany, daughter of the Hon. Daniel Dulany, a well accomplished and agreeable young lady with a handsome fortune."

Ibid., May 13, 1756: "On Tuesday last, died at his home in this city, Alexander Hamilton, M.D., aged 44. The death of this valuable and worthy gentleman is universally lamented. His medical abilities, various knowledge, strictness of integrity and extraordinary benevolence having gained him the respect and esteem of all ranks of men. No man in his sphere has left fewer enemies and more friends."

A clipping: "Alexander Hamilton, M.D., 1712-1756, born in Scotland; graduated from the University of Edinburgh in 1737, and with which institution throughout his life, he kept in touch. He came to America and made his home in Annapolis, where he practiced his profession. Editor of the *Maryland Gazette*; author of *Itinerarium*, a manuscript written from notes taken during a journey through the Middle and Northern Colonies in 1744."

Dr. Hamilton was founder of the early and interesting Tuesday Club in 1745. The meetings were held once a week on Tuesday evening at the house of one of its members who were twenty-five leading wags and intellectuals of the Province, though their identity was screened by fictitious names; the Doctor masks himself as "Loquacious Scribble Esq." "Only a few volumes of minutes survive; they are written in a verbose, burlesque style somewhat after the manner of Dean Swift and of Dickens in *Pickwick Papers*," aptly says Paul Wiltach, in *Tidewater Maryland*.

Politics was a subject taboo. The Club entertained the ladies annually with a ball and collected sixpence from each member at every meeting for their charity fund.

The meetings were discontinued after Dr. Hamilton's death.

She died July 31, 1828, in her 68th year. (*Nat. Int.* of Aug. 8.) They attended St. John's Church, Georgetown, renting in 1821, Pew No. 9, at \$15 a year, according to the Parish register.

William Murdock was Burgess for Prince George's County, 1749-69.

In 1756 he was appointed Commissioner to disburse the State fund for protection against the hostile Indians; also the state fund for the expedition against Fort Duquesne; member of the House of Delegates, 1765-76. He represented Maryland in the Stamp Act Congress of National Deputies who met at New York, Oct. 1765. He was on the Commission to draw up and report a vote of thanks to those members of the British Parliament and defended the rights of the Colonists; in 1768 he was appointed on a commission to draft a petition to the King, remonstrating against the imposition of taxes on imported articles. (*McSherry's Hist. of Md.*)

William Murdock died at his seat near Queen Anne, Prince George's County, on October 17, 1769. (*Md. Gaz.* of Oct. 19). In his will, he devised:

"To beloved wife, while she shall remain single, the dwelling house and plantation whereon I now live, together with the lands and plantation contiguous thereto, except Bowdle's Choice, provided the devise shall cease if she marry again. To said widow my new chaise and two chaise horses, cart, draught horses, English blooded mares to value of 100 pounds. Revenue from another source for the maintenance and education of my two daughters, Rebecca and Margaret, until they shall attain their respective ages or marry.

To son John, all lands which I have in Frederick County
To daughter Mary, one red horse, saddle, furniture and £300 sterling.
To son Addison, rest and residue of my personal estate.
Sons Addison and John, executors, March 23, 1766
Dec. 2, 1769."

(C.H.W. Wills, 101, fol. 570.)

REV. GEORGE MURDOCK. Recorded in Lib. T. 669 (L.O.M.) is a letter to the Rev. George Murdock, enclosing his certificate of ordination, March 3, 1737; "The Rev. George Murdock was ordained Deacon by the Rt. Rev. Father in God, Edmund, Lord Bp. of London in the Cathedral Church of St. Paul, London, on Sunday 20th day of Feby. in the year of our Lord 1724 and was ordained priest by the Rev. Father on the 29th of same month in the royal chapel at St. James in presence of William Powlett, Not'y. Publ."

In same Lib. T. fol. 673, is recorded a deed dated Aug. 29, 1738 from Thomas Williams to George Murdock, minister and the vestry and their successors, for two acres of a tract of land, Mill Land; this for a chapel in the Prince George Parish, which parish, says Scharf, "was erected from St. John's or Piscataway in 1726, and embraced all the territory in the then Prince George's County west of the Eastern Branch of the East fork of the Eastern Branch of the Potomac River, Washington City, Georgetown and the rest of the District of Columbia; part of Carroll and all of Frederick, Washington and Alleghany Counties."

The parish was in that part of Prince George's County which in 1748 became Montgomery County and later the District of Columbia and was and is known as St. Paul's, Rock Creek Church, in Prince George Parish.

Rev. Mr. Murdock established a home in the immediate neighborhood of the church. Thomas Beall, Jr., of Prince George Parish in Prince George's County, planter, for 100 pounds sterling sells to George Murdock, Minister of the Parish aforesaid, a tract of land, Friend's Goodwill, lying in said Parish, "whereupon the said minister doth live." It is bounded by a tract of land belonging to Mr. Edward Digges and at a corner of land called Friendship, 150 acres.

Tabitha, wife of Thomas Beall acknowledges, etc.,

Oct. 25, 1730.

The Rev. George Murdock's first charge was in Goochland County, Virginia. From the *Douglas Register*, (F. 232.G65.D7. C.L.M., fol.5.) we read: "The Dover Church, being the first in Goochland County, was appointed to be built Feb. 11, 1720 and cost the parish 54.990 pounds of tobacco; it was 50 feet long, 25 wide. Feb. 21, 1725, Mr. Geo. Murdock received as Minister of this Parish and "was desired to preach at Robt. Carter's on south side of the River and at Maj. Bolling's Quarter on the North side, on the last Sunday in every month successively." Oct. 9, 1725, Mr. Geo. Murdock, Minr; there were 774 Tithables, assessed at 36 lbs. tobacco per pole. Nov. 14, 1726, Mr. Murdock, Minister; 2,612 lbs. of Tobacco levied to build a Glebe. In 1727—(a change). Mr. Murdock was later Rector of All Saints, at Frederick, Md. which parish was created in 1742.

It is thought by some authorities and it would so appear, that the Rev. Mr. Murdock married, 1728/9, Eleanor, (daughter of Thomas Sprigg of Prince George's County, Maryland and Eleanor Nuthall, his wife) widow of John Nuthall and earlier, of Thomas Hilleary of Three Sisters. This seems reasonable in view of the several indentures given below, apparently made in anticipation of Eleanor Nuthall's marriage to Rev. Mr. Murdock. In Lib. M. 263 is found, enrolled by John Pratt, 11, March 1727: I, Eleanor Nuthall of Prince George's Co., widow, for natural affection I have for my daughter Eleanor Pratt of same Co., and for other good causes, grant to her a parcel of land Sprigg's Request in Prince George's County to have and to hold same during the natural life of the Rev. George Murdock and after the expiration of the aforesaid Eleanor Nuthall, to be and remain to the aforesaid Eleanor Pratt and her heirs forever.

9 Feb., 1727.

Also, recorded at request of John Pratt, 11 March, 1727: I, Eleanor Nuthall of Prince George's Co., widow, for love and affection for my daughter Mary Nuthall, spinster, and for other good causes, confirm to her, a negro and horse Blaze.

(Lib.M.fol.368, L.O.M.) "George Murdock and Eleanor his wife, of Prince George's County, for love and affection for their daughter Mary Nuthall, of County aforesaid, spinster, and for other good reasons, give her part of a parcel of land, Spriggs Request, Feb. 6, 1728/9. Both acknowledge before Jeremiah Belt and Edward Sprigg. Eleanor was "Eleanor Nuthall," when Thomas Sprigg made his will, May 9, 1704; proved Dec. 29, 1704, (Lib. 1. fol. 23. W.M.).

Recorded, August 27, 1741 [Y. 372. L.O.M.]. Hilleary Williams acknowledges receipt from George Murdock, his guardian, of 60 pounds current money before paper money was used here, in full of his patrimony due from his father Baruch Williams' estate and discharges the said George Murdock and Eleanor his wife and Jonathan Widham and Mr. James Magruder and the executors of Mr. William Lyles and my mother Mrs. Eleanor Pratt* and every one of the aforesaid parties engaged for the said money all and every one of their heirs and administrators and am fully satisfied. 22 April, 1741.

and another name not legible.

Rev. Murdock died March, 1761.

Hayden, in his *Virginia Genealogies*, says that the Rev. George Murdock was married and had a family when ordained. We have seen that he was ordained in 1724, also that he married Eleanor Nuthall before Feb. 6, 1728/9. In his will, Rev. George Murdock of Prince George's County, (1. 526 W.M.) devised to son William, his dwelling plantation with land thereto belonging. To grandson George Murdock, 124 acres being part of a tract of land William and Charles. To grandson George Beall, 120 acres, the remaining half of aforesaid tract of land; to son William, negroes. To grandchildren George Murdock, Priscilla Murdock, Eleanor Murdock and Martha Murdock, negroes; the same to daughter Ann Beall, granddaughter Elizabeth Beall, grandsons Wm. Murdock Beall and Elisha Beall, daughter Mary Beall. Remaining part of estate divided between son William and daughter Ann Beall. Son William and grandson George Murdock, executors.

NOTLEY—ROZER* FAMILIES

AN OUTLINE

Thomas Notley was of the illustrious family of Dorset, the Sydenhams of Coombe, his being the cadet (younger) branch. In his will, Apr. 3, 1679, he devised Cerne Abbey to his godson, Notley Rozer, son of Col. Benjamin Rozer and his wife Ann Sewall, daughter of Jane, second wife of Charles Calvert, Third Lord Baltimore. Thomas Notley was Deputy-Governor of the Province from 1676 until his death three years later.

The relationship, if any, between Gov. Thomas Notley and Notley Rozer has been a matter of conjecture, strangely enough in view of its importance. In Vol. 16, p. 24, *Records of the Columbia Historical Society*, is to be seen a chart indicating that Thomas Notley died in 1683, that his daughter [name not given] married Henry Rozer and had a son, Notley Rozer, that he, Notley, was the father Anne Rozer who married (1) Daniel Carroll (d. 1734) and (2) Benjamin Young.

Thomas Notley, in his will, devised to his godson, Notley Rozer. This is not conclusive evidence of blood relationship. Moreover, Thomas Notley's will might well be that of a bachelor, since in it no mention is made of either wife or children. Furthermore, it is known that the Notley Rozer in question was the son of Col. Benjamin Rozer and Jane Sewall, whose sister, Elizabeth Sewall (Wharton), widow, was the wife of William Digges of Warburton. In Lib. M. 350. L.O.M.) June Court, 1727, "Ann Rozer, daughter of Notley Rozer, deceased, of about sixteen years, comes into court and chooses her uncle, Mr. William Digges, Gentleman, as her guardian."

Notley Rozer, son of Benjamin Rozer was born July 1, 1673. He was apparently raised by his grandmother Lady Baltimore, at Notley Hall. Mary Rozer, daughter of Colonel Benjamin Rozer, was born April 6, 1675 (*Col. Hist. So. Mag.* Vol. 21, 4-5). Colonel Benjamin Rozer's widow married Colonel Edward Pye.

An interesting indenture (Lib. 15, folio 45, L.O.M.) relates that the Commissioners were to meet at Port Tobacco in the estate of Notley Rozer, orphan of Colonel Benjamin Rozer, late of Charles County, "to deliver said estate in to the hands of Nicholas Sewall, as next relation, to whom the guardianship doth belong, since Colonel Edward Pye, who married the relict and administratrix of said Benjamin Rozer, has not yet rendered an account of the administration." (One Edward Pye married February 25, 1735, Sarah Queen (P.P.R.))

*The *Columbia Hist. So. Mag.*, Vol. 1, seeks to justify the "i" in the name Rozer (Rozier) on the ground that the name is French. The author has found the name as Rozer, almost without exception, in the book, in the accompanying records, and as the early signatures, and has adhered to that use.
